

k. Stand Rail Screws and Spacers

C-Leg and T-Leg Bases

C-Leg Bases Shown (from above)

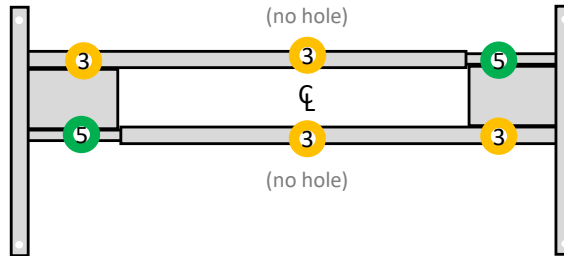

Do not use the Rubber Bumpers (if included in the hardware kit)

Peel liner paper off and place spacers as shown, encircling the indicated screw holes (except where noted)

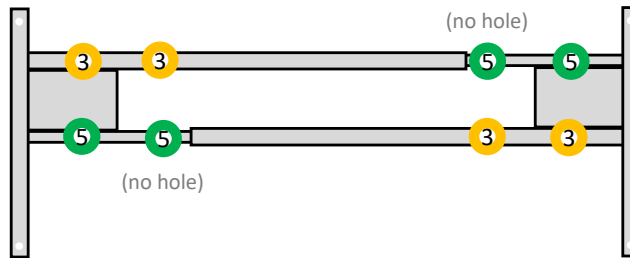

Screws should only be driven where spacers have been placed
In some places (noted) spacers will not encircle a screw hole

BASE WIDTH

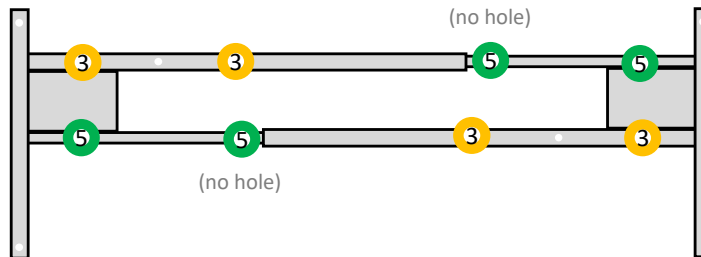

S: 30" to 36" W
M: 41" to 45" W
L: 47" to 51" W

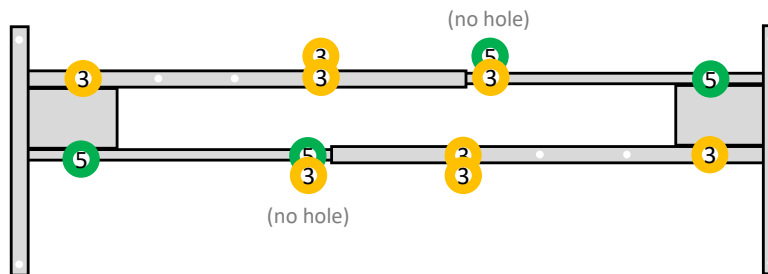

M: 46" to 51" W
L: 52" to 57" W

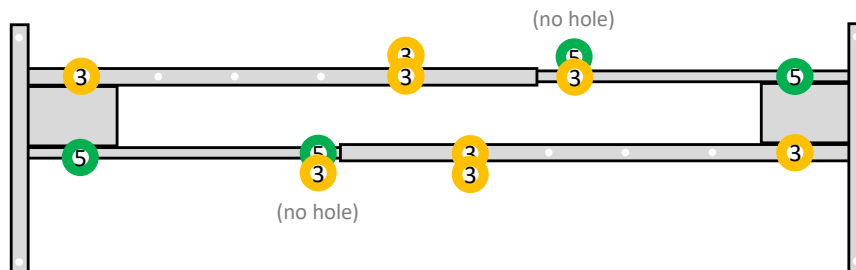

M: 52" to 57" W
L: 58" to 63" W

M: 58" to 59.5" W
L: 64" to 69" W

L: 70" to 71.7" W

3 Thin Spacer (3mm thick)

5 Thick Spacer (5mm thick)

3 3mm + 3mm = 6mm thick

5 5mm + 3mm = 8mm thick

Align Spacers when stacking (shown offset for clarity)

k. Stand Rail Screws and Spacers

Left Side of 90° and 120° Corner Bases

Bases Shown (from above)

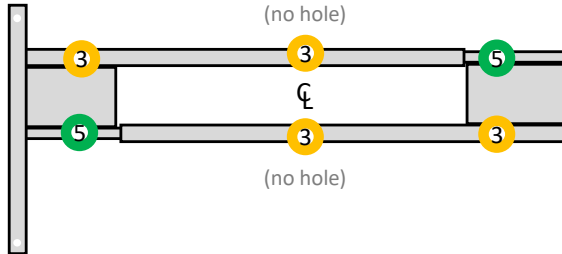

Do not use the Rubber Bumpers (if included in the hardware kit)

Peel liner paper off and place spacers as shown, encircling the indicated screw holes (except where noted)

Screws should only be driven where spacers have been placed
In some places (noted) spacers will not encircle a screw hole

BASE WIDTH

- S: 30" to 36" W
- M: 41" to 45" W
- L: 47" to 51" W

- 3 Thin Spacer (3mm thick)
- 5 Thick Spacer (5mm thick)

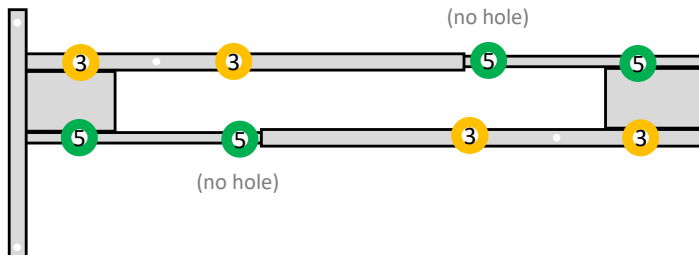

- 3 3 3mm + 3mm = 6mm thick
- 5 3 5mm + 3mm = 8mm thick

Align Spacers when stacking (shown offset for clarity)

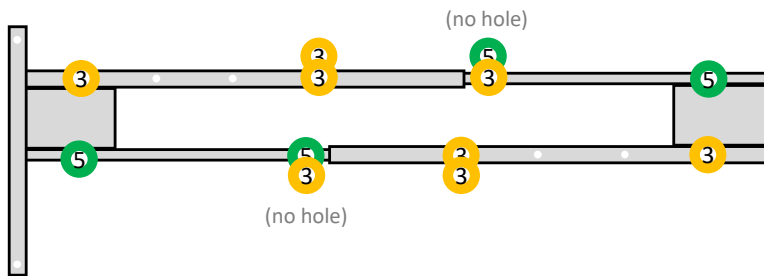

- M: 46" to 51" W
- L: 52" to 57" W

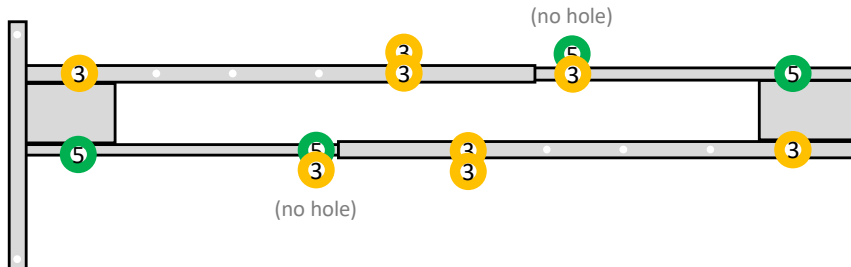

- M: 52" to 57" W
- L: 58" to 63" W

- M: 58" to 59.5" W
- L: 64" to 69" W

- L: 70" to 71.7" W

k. Stand Rail Screws and Spacers

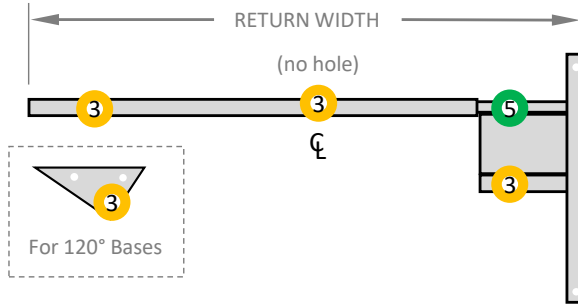

Right Side of 90° and 120° Corner Bases

Returns Shown (from above)

Do not use the Rubber Bumpers (if included in the hardware kit)
 Peel liner paper off and place spacers as shown, encircling the indicated screw holes (except where noted)
 Screws should only be driven where spacers have been placed
 In some places (noted) spacers will not encircle a screw hole

RETURN WIDTH

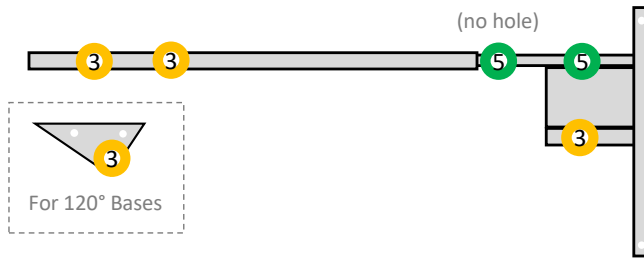

S: 30" to 36" W
 M: 41" to 45" W
 L: 47" to 51" W

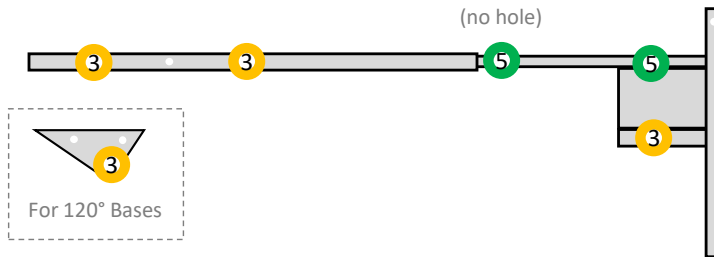

- 3 Thin Spacer (3mm thick)
 - 5 Thick Spacer (5mm thick)

 - 3 3 3mm + 3mm = 6mm thick
 - 5 3 5mm + 3mm = 8mm thick
- Align Spacers when stacking (shown offset for clarity)
