

D'Urso Conference Tables
Joseph Paul D'Urso

D'URSO CONFERENCE TABLES With this table series, Joe D'Urso lends his spare treatment of space to furniture. The tables exemplify an understated approach that combines simplicity of design with richness of materials. Combining elegance with unsurpassed practicality, the sculptural table is available in a range of shapes and materials, as well as the option of lockable casters or glides.

JOSEPH PAUL D'URSO A graduate of the Pratt Institute's interior design and architecture departments, D'Urso is a celebrated minimalist whose drawings, photographs and models for the Manchester Museum of Science and Technology in England were the subject of a special exhibition at The Museum of Modern Art in New York City. He is the founder and president of D'Urso Design in New York.
