

Barber and Osgerby Lounge Collection
Edward Barber and Jay Osgerby

BARBER AND OSGERBY LOUNGE COLLECTION The Collection includes four sofas and two complementary ottomans. Available in a range of upholstery fabrics and leathers, the lounge furniture is distinguished by stitched seams that reinforce its architectural profile and softened by the curvature of cushions on each face. The signature cast aluminum leg of the furniture can be specified in chrome and painted finishes. A compact version of the lounge is available as an arm chair as well as a two-seat sofa. Scaled for the home, this grouping features a lower back and reduced seat depth.
