

Moment™

Product Information

Taking its cue from the cantilevered form of the classic Tubular Brno chair by Ludwig Mies van der Rohe, Moment is a streamlined, elegant counterpoint to any workspace. Moment complements our diverse portfolio of office seating and furniture and is a beautiful and practical solution for the guest chair that most offices, whether private or open plan, require.

Moment comes with a 10 year, 7 days a week, multi-shift use warranty. It is easily disassembled so that parts can be replaced or recycled.

Designed by Jeffrey Bennett and Nicholas Dodziuk for Knoll

Product Information

Moment is assembled in our LEED® Gold and ISO 14001 Certified Lubin Manufacturing Facility using clean technologies:

- 100% of electricity used at site is offset by wind energy
- No ozone-destroying chlorofluorocarbons (CFCs)
- Metal powder-coating processes 99% VOC free
- Trivalent chrome process uses fewer materials, produces less waste and is safer for workers and the environment

Moment and SMaRT®

Rated Sustainable Gold by the SMaRT® Sustainable Product Standard, Moment was the third product in the furniture industry to be SMaRT® certified. SMaRT® is a comprehensive, transparent, sustainable product standard that measures a product's environmental, economic and social benefits over its life cycle and throughout its global supply chain, from raw materials extraction through reclamation or re-use.

Moment and GREENGUARD®

Moment is GREENGUARD Indoor Air Quality Certified® and GREENGUARD Children SchoolsSM certified.

Moment and LEED®

Moment can contribute to achieving LEED® credits for Commercial Interiors, New Construction and Existing Buildings.

Recycled Content

Constructed with 67% recycled materials

SMaRT®

SMaRT® Sustainable Gold Certified

Structural Components

Integrally colored nylon back requires no coating, minimizing materials and eliminating Volatile Organic Compounds (VOCs)

Finishes

Powder coat paint and trivalent chrome processes used

GREENGUARD®

GREENGUARD Indoor Air Quality Certified® and GREENGUARD for Children and SchoolsSM Certified

Recyclable Content

85% of parts are readily recyclable
