1 Antenna® Workspaces Private Office

Table desks and storage elements create highly efficient focused or shared work areas for private offices. Desk top in Medium Grey laminate with Folkstone Grey modesty and end panel and Silver painted base.

> Generation by Knoll® chair, pg 1; Sprite side chair, pg 11

2 Antenna® Workspaces Desk

Antenna Workspaces desks create highly efficient focused work areas for open plan environments and private offices. The top rests on a base composed of two steel end legs and two tubular rails that span between them, linked by cast aluminum cradles. The result is an extraordinarily strong table. Top in Bright White laminate with table structure in Dark Red paint.
