

Product Overview

Gore™ Seating Protection is an innovative upholstery finish/lamination that combines a durable moisture barrier with a soil and stain resistant anti-microbial topical treatment. This finish option commands high performance while maintaining breathability, a soft hand and color integrity.

KnollTextiles Approvals

Gore™ is pre-approved on over 65 KnollTextiles upholstery patterns. A complete list of fabric pre-approvals is attached. KnollTextiles upholstery patterns not listed as pre-approved can be submitted for testing, with results available within 5 business days.

Furniture Applicability

KnollTextiles upholstery fabrics with Gore™ have been tested and pre-approved on some Knoll furniture. Additionally, within the contract market, more than 40 manufacturers have worked with Gore™ products. Note that Gore™ seating protection involves a two part approval process. The first part being the approval of Gore™ application on the textile and the second part being the approval of a Gore™ treated textile on the furniture.

Cleaning Instructions

Cleaning Code: W-S - Water-based cleaning agents and foam or mild, water-free solvents may be used for cleaning this fabric. Detailed instructions attached.

Details

- Gore Pricing: \$200 (\$215 CN) flat fee (5-14 yards). \$14.00 (\$16 CN) per yard for 15+ yards.
- Lead time: Additional lead time required
- Minimums: 5 yard minimum (exception: KnollStudio orders require a 40 yard minimum)
- Shrinkage: Due to normal shrinkage in the finishing processes, one additional yard of fabric must be added to the total order for each 50 yards specified
- Returns: Orders requesting Gore™ or any other special finishing are non-cancelable and non-returnable
