

Product Overview

Imago Frozen Fabrics, the revolutionary hard surface material from KnollTextiles, is available with recycled content.

- **Recycled Content:** Our current Imago patterns and gauges will be available with 40% post-industrial recycled PETG with standard finishes, as a custom option. Product quality and clarity remains unchanged from the standard product.
 - **Gauges available:**
 - 1/8" – 1/2": Allure, Limelight, Lucere, Mirage, Modular, Neptune, Whisper
 - 3/16" – 1/2": Delta, Ozone, Whirlwind
 - 1/16" – 1/2": Lintel, Progeny, Reverie, Zen
- **Third-party Certified:** Recycled content is certified by SCS (Scientific Certification Systems). Visit www.scs-certified.com/ecoproducts/products/ to download the certificate.
- **Indoor Air Quality:** This product is Greenguard certified for indoor air quality. Visit www.greenguard.org to download the certificate.
- **LEED Certification:** This product may contribute to LEED certification in categories related to recycled content (MR4.1 and MR4.2, Material & resources section), regional materials (MR5, Material & Resource Section) and indoor air quality (EQ4.5, Commercial Sector).
- **Clean Manufacturing:** Our Imago manufacturing facility is ISO certified. It is powered using solar panels and uses state of the art florescent lighting technology, resulting in an estimated six ton reduction in carbon monoxide each year.
