Modern always

**“Our legacy is the product and product culture that we leave behind. What we have done at Knoll with the products which we inherited and what we have done to create new things to move the company forward, we have done to honour and preserve the Knoll legacy.”**

**“ Notre patrimoine est à la fois le produit et la culture qui lui a donné naissance. Ce que nous avons fait chez Knoll des produits dont nous avons hérité, et ce que nous avons fait pour en créer de nouveaux et avancer, nous l’avons fait pour honorer cet héritage et le préserver. ”**

**“Il prodotto e la cultura di prodotto sono il nostro patrimonio. Ciò che abbiamo ereditato dal nostro passato e quello che ci prefiggiamo per il futuro sono il nostro impegno per onorare e preservare il nostro retaggio culturale.”**

**“Unser Vermächtnis ist, das Produkt und die Produktkultur bleibend zu hinterlassen. Was wir getan haben, als Unternehmen Knoll, neue Dinge zu gestalten, um das Unternehmen weiter zu führen, haben wir getan, um das Knoll-Vermächtnis zu ehren und zu bewahren.”**
