

# Sustainability Overview

## Moment™

Taking its cue from the cantilevered form of the classic Tubular Brno chair by Ludwig Mies van der Rohe, Moment is a streamlined, elegant counterpoint to any workspace. Moment complements our diverse portfolio of office seating and furniture and is a beautiful and practical solution for the guest chair that most offices, whether private or open plan, require.

Moment comes with a 12 year, 7 days a week, multi shift use warranty. It is easily disassembled so that parts can be replaced or recycled.

Designed by Jeffrey Bennett and Nicholas Dodziuk for Knoll

### Manufacturing

Moment is assembled in our LEED® Gold and ISO 14001 Certified Lubin Manufacturing Facility using clean technologies:

- ▶ No ozone-destroying chlorofluorocarbons (CFCs)
- ▶ Metal powder-coating processes are 99% VOC free
- ▶ Adhesive processes are 99% VOC free
- ▶ Trivalent chrome processes uses fewer materials, produces less waste and is safer for workers and the environment
- ▶ 100% of electricity used at site is offset by wind energy

### Structural Components

Integrally colored nylon back requires no coating, minimizing materials and eliminating Volatile Organic Compounds (VOCs)

### Recycled Content

Moment is constructed with 67% recycled materials

### Recyclable Content

85% of parts are readily recyclable

### Moment and SMaRT®

Rated Sustainable Gold by the SMaRT® Sustainable Product Standard, Moment was the third product in the furniture industry to be SMaRT® certified. SMaRT® is a comprehensive, transparent, sustainable product standard that measures a product's environmental, economic and social benefits over its life cycle and throughout its global supply chain, from raw materials extraction through reclamation or re-use.

### Moment and GREENGUARD®

Moment is GREENGUARD Indoor Air Quality Certified® and GREENGUARD Children SchoolsSM certified.

### Moment and LEED®

Moment can contribute to achieving LEED® credits for Commercial Interiors, New Construction and Existing Buildings.
