KnollTextiles

Privacy Curtains that Inspire

Choose from a collection of sophisticated privacy curtain fabrics, from subtle textures to bold, large scale patterns, in a soothing yet modern color palette. Our high-performance privacy curtain fabrics can also be used for drapery or top of bed applications.

Opposite: *Ideology*, *Virtue* privacy curtain fabric. Above: *Candid*, *Leaf* privacy curtain fabric; *Regard*, *Sweet Pea* Crypton upholstery fabric.

Upholstery that Performs

KnollTextiles combines modern design and high performance with dozens of upholstery selections that provide stain, moisture, or bacteria resistance, including Crypton® fabrics, vinyl upholstery, and Zeftron® solution dyed nylon. In addition, more than eighty upholstery patterns are available with an antimicrobial healthcare finish (additional lead times apply).

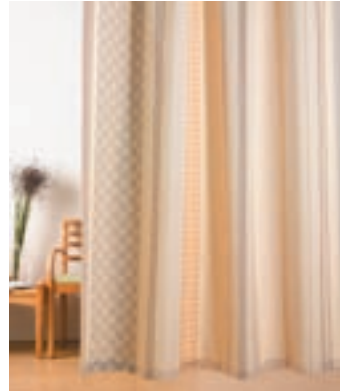

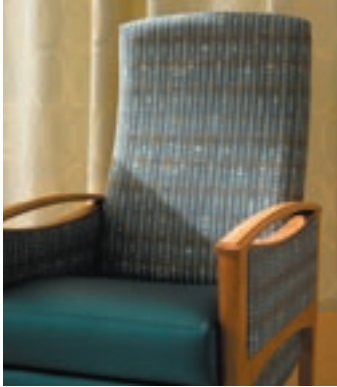

Opposite: Treble, *Concerto* Crypton upholstery fabric. Above: Zari, *Fountain* Crypton upholstery fabric and Vibe, *Gossip* vinyl upholstery; Expression, *Jovial* privacy curtain fabric.

Imago™ and Wallcoverings that Enhance

Easily formed and fabricated, Imago™ frozen fabrics inspire the imagination, with surfacing applications from floor to ceiling. KnollTextiles also offers a carefully edited selection of type II vinyl and woven vinyl wallcovering options.
