Healthier Hospitals Initiative
Product List
Knoll supports the Healthier Hospitals Safer Chemicals Challenge, and offers furniture solutions that healthcare clients and the design community can trust will meet the following HH standards:

+ Formaldehyde
+ Per- and poly-fluorinated compounds (PFCs)
+ Polyvinyl Chloride (PVS)
+ Antimicrobials
+ Flame Retardants

Our Supply Chain is constantly evolving; please confirm conformance to the attributes at the time of specification because information is subject to change. Healthier Hospitals encourages manufacturers to provide information on furniture that meets the Healthy Interiors goals of the Safer Chemicals Challenge. Furniture described herein meets the Healthy Interiors goal of the Safer Chemicals Challenge according to the manufacturer. Practice Greenhealth does not verify manufacturer information.
