

## Healthier Hospitals Initiative

Knoll supports the Healthier Hospitals Safer Chemicals Challenge, and offers furniture solutions that health care clients and the design community can trust will meet the following HH standards:

- + Formaldehyde
- + Per – and poly-fluorinated compounds (PFCs)
- + Polyvinyl Chloride (PVC)
- + Antimicrobials
- + Flame Retardants

### Seating

All Knoll North American Office Seating products—and Womb Chair with Ottoman and Divina collection—KnollStudio product lines—can be specified to conform to Healthier Hospitals’ Safer Chemicals Challenge.

- + Confirm application is approved on specified products
- + This list applies to stocked patterns only
- + Specify avoiding the CAL 133 option
- + Specify using the following textiles:

Pattern	End Use	Pattern	End Use	Pattern	End Use
