NERO MARQUINA: Rich black with random veins that can vary from white to gold.

Nero Marquina is a coated marble available in a high-polish or satin finish. The transparent polyester coating creates a non-porous surface to prevent use-associated stains. Coating may yellow over time giving the marble a warmer tone.

CARE AND MAINTENANCE: Wash coated surface with lukewarm water. Clean more thoroughly with a non-abrasive solution such as Windex or Fantastik. Rinse with warm water and dry with a soft cloth. Marble should not be used outdoors.

NOTE: Marble is a natural material. Hues, veins, crystals, fossils and distinctive marks will vary from piece to piece. Please use this sample card only as a guide.
