**ESPRESSO MARBLE:** Light and dark brown with white and beige veining. May contain small crystals and fossils. Hues vary in tone and intensity.

Espresso Marble is a coated marble, featuring a transparent polyester coating that creates a non-porous surface to prevent use-associated stains. Coating may yellow over time giving the marble a warmer tone.

**CARE AND MAINTENANCE:** Wash coated surface with lukewarm water. Clean more thoroughly with a non-abrasive solution such as Windex or Fantastik. Rinse with warm water and dry with a soft cloth. Coated marble should not be used outdoors.

**NOTE:** Marble is a natural material. Hues, veins, crystals, fossils and distinctive marks will vary from piece to piece. Please use this sample card only as a guide.
