

Ollo™

Product Preview

Improvise freely.

Ollo is designed to stay on pace with the spontaneous style of today's work—pivoting between people, locations and tasks without breaking stride.

You need the freedom to switch gears and shift focus. Ollo makes it simple to settle in and seamlessly transition between activities. Communal by design, Ollo is a chair that everyone can get comfortable in. Whatever, whenever, wherever, whoever...Ollo is there to help you go with the [work]flow.
