

# Special Finishes

Many of our fabrics can be treated with additional finishes and/or lamination to provide increased performance benefits. Additional lead times may apply. Contact your local sales representative for details.

## Shrinkage

Due to normal shrinkage in finishing processes, allow additional yardage as indicated below:

5–50 yards: allow 1 yard.

50 yards and over: allow 1 yard per 50 yard increment.

## Upholstery, Wallcovering

Due to the nature of specific weave types, contents and constructions, KnollTextiles assumes no responsibility for any distortion in the fabric caused by backing. KnollTextiles assumes no responsibility as to the suitability and compatibility of the backing related to the type of installation or application technique.
