The Knoll paints and laminates palette includes 11 core warm, cool and metallic paints and 25 core laminates that perfectly complement the range of Knoll products. A single integrated palette ensures a harmonized aesthetic throughout the entire workplace.

Please consult the appropriate price list for a list of applicable finishes, edge band options and details for each product. The samples shown here are representative of our finishes. For further information, or for a product brochure, please consult a Knoll dealer or sales representative.

Our FSC Certified Standard Program (FSC® C028824) covers all Knoll Office general office plan open systems, casegoods and tables. The standard applies to the core of all Knoll products with laminate and domestic cherry, maple, oak and walnut.
