The following general terms and conditions of sale (the “Terms”) shall apply to any sale of goods and services by Muuto Inc., a Delaware corporation (“Muuto”). The sales order acceptance is made and given on the express condition and understanding that the following Terms apply to the sale of Muuto’s goods and services. Muuto’s acceptance of any Order is expressly made conditional upon Buyer’s acceptance of all the terms and conditions contained herein and on the face of Muuto’s sales order acknowledgment. Muuto objects to any additional or different terms and conditions, whether contained in Buyer’s forms or otherwise. Muuto will not be deemed to have waived these Terms if it fails to object to any provision contained in Buyer’s forms or otherwise. Buyer’s silence or its acceptance of Muuto’s Goods constitutes its acceptance of these Terms. These Terms shall also apply to any repaired or replaced Goods provided by Muuto or its affiliates.

I. Definitions
The term “Buyer” means the individual, corporation, limited liability company or other legal entity that has submitted an Order to Muuto or which is purchasing Goods from Muuto. The term “Order” means Buyer’s request, whether oral or written, to purchase Goods from Muuto. The term “Goods” means all of the products, materials and related services that Muuto is selling or offering for sale from time to time.

2. General
In the event of any conflict or inconsistency between these Terms and the terms and conditions contained in Buyer’s Order or in any other form or document issued by Buyer, whether or not any such form or document has been acknowledged or accepted by Muuto, these Terms shall prevail. No waiver, alteration or modification of these Terms shall be binding upon Muuto unless made in writing and signed by a duly authorized representative of Muuto.

3. Order Acceptance
Buyer’s Order is subject to acceptance by Muuto. Muuto will issue a written order confirmation ("Order Confirmation") as acceptance of an Order. Acceptance of an Order is subject to all of the terms set forth herein and on the face of Muuto’s Order Confirmation, which terms shall constitute the sole terms and conditions of the Order. Buyer’s assent to all such terms and conditions shall be conclusively presumed (A) when Buyer receives, or is provided access to, these Terms, electronically or otherwise, and makes no written objection within 48 hours of such receipt; or (B) when Buyer accepts all or any part of the Goods reflected by the Order. For Buyer’s made-to-order purchases, Muuto will start production of the made-to-order Goods only after prepayment has been received.

3.1 Changes to orders and cancellation policy
- Changes to orders and cancellations for stock-version products and made-to-order products within 48 hours of receipt of order confirmation:
  1. No fees will be applied
  2. 2-7 days after receipt of order confirmation: 25% of order value
  3. 7+ days after receipt of order confirmation: 50% of order value

  3. Less than 5 weeks before shipment date: 100% of order value

4. Delivery
Unless otherwise agreed in writing by Muuto, the shipment and delivery of goods will be handled by Muuto’s forwarding agent on behalf of the customer and Muuto will invoice freight and other delivery costs to the Buyer.

The Goods will be shipped using standard packaging. The delivery date is only an estimated delivery date, and the time of delivery shall not be considered of essence. Muuto cannot be held liable for any damage or loss that the Buyer may suffer as a result of delay or non-delivery. If no specific delivery date has been indicated in the Form, Muuto, acting reasonably, is entitled to stipulate a delivery date taking into consideration the quantity and the nature of the Goods to be delivered. Should a delivery fail to meet the Buyer’s expectations, or is the delivery damaged during transportation, please refer to the Section IO “Filing a Claim” for how to start a claim.

5. Price

In the event that Muuto institutes any legal suit, action or proceeding against the Buyer arising out of or relating to this Agreement, including payment for the Goods, Muuto shall be entitled to receive in addition to all other damages to which it may be entitled, the costs incurred in conducting the suit, action or proceeding, including reasonable attorneys' fees and expenses and court costs.

7. Title
Title to the Goods or any part thereof shall not pass from Muuto to Buyer until all payments due hereunder have been duly made. The Goods shall be and remain personal or moveable property, notwithstanding their mode of attachment to realty or other property. The Buyer shall at all times keep such Goods separated from any other products held in stock, and must ensure that the Goods can at all times be identified by Muuto. If default is made in any of the payments due, Buyer agrees that Muuto shall be free and authorized to enter the premises where the Goods may be located and remove them as Muuto' property, without prejudice to Muuto' right to recover any further expenses or damages Muuto may suffer by reason of such nonpayment. Excluded from the warranty are all defects due to or caused by transport, incorrect use, inadequate maintenance, accidents, the Buyer's alterations or repairs and defects caused by normal wear and tear. Further, natural variations in organic materials shall not be considered to be defects. With respect to Goods that are defective, Muuto may choose, at its discretion, to refund the purchase price for such Goods, repair such Goods or replace such Goods at Muuto’s expense, provided Buyer has duly notified Muuto about the defect within reasonable time after the Buyer discovered or should have discovered it, and provided that such notice is given within the warranty period and in accordance with the procedures in Section IO “Filing a Claim”.
