Vizient Environmentally Preferred Sourcing Designated
Product List
Knoll is proud to be recognized as a Vizient Environmentally Preferred Sourcing (EPS) designated supplier, and offers furniture solutions that healthcare clients and the design community can trust will meet the following EPS designation criteria:

+ Formaldehyde
+ Per- and poly-fluorinated compounds (PFCs)
+ Polyvinyl Chloride (PVS)
+ Antimicrobials
+ Flame Retardants

Our Supply Chain is constantly evolving; please confirm conformance to the attributes at the time of specification because information is subject to change. Vizient encourages manufacturers to provide information on furniture that meets the Vizient Environmentally Preferred Sourcing designation requirements. Furniture described herein meets the Vizient EPS requirements according to the manufacturer. Vizient does not verify manufacturer information.
