Using the KnollExtra Price List

An Overview
In the first part of the Price List you'll find Lighting and Power Series.

The second part features a full range of desktop accessories including Smokador and Orchestra, perfect for panel-mounted or freestanding application.

Part three offers a broad range of systems support products, including technology management and communication boards.

Can’t find it? Consult the Table of Contents on page 1 or the Alpha-numeric Index on page 188.

Product Information on Each Page
The KnollExtra Price List was designed to provide you with everything you need to know in order to understand, specify, and care for KnollExtra products. On each page, the following features will assist you:

Description/Construction explains salient features, capabilities, materials, and country of origin.

Dimensions provide the overall space the product will require. Statistics are based on the maximum width, depth and height of the product.

Weight is based on the product itself. It does not include packaging or complementary items such as pens, memo paper or calendars.

Order Code/Ordering Information outlines exactly how to specify KnollExtra product and the full scope of finish options. The Order Code provides an example of how one pattern number is specified.

Custom Options reviews availability of special sizes, finishes etc.

For More Information
For more information, contact your Knoll sales representative, telephone Customer Service at 1-800-343-5665, or visit one of the Knoll showrooms listed on the last page of this book.

A Word About Finishes
KnollExtra finishes are designed to complement a broad range of interiors and office products.

Key KnollExtra finishes coordinate with specific Knoll systems finishes:

Placing Your Order

Use the Following Addresses
If you would like to send a standard lead time order to our order entry department, please use the following address:

For North American orders:
Knoll, Inc.
1235 Water Street
East Greenville, PA 18041
Attn: Order Entry
Fax: 215 679-1788
Tel: 800 343-KNOLL

All accepted orders will be confirmed in writing on the Knoll standard order confirmation form.

Ship-Complete Orders
Orders that must ship complete are to be so stated on the purchase order. Products with different lead times, combined on one order, can be acknowledged for shipment based on the longest of those lead times. Orders not marked “ship complete” will be released according to the confirmation, and invoiced in increments.

For More Information
For complete Knoll Selling Policy and warranty information, please refer to page 191 of this price list.

For additional information on KnollExtra, contact your Knoll representative, a Knoll dealer, or telephone Customer Services at 800 343-KNOLL.

*EY for orchestra brackets. If your system is not listed, please consult your Knoll sales representative or Customer Service at 1-800-343-5665.
**Maintaining Your Purchase**

**Maintenance**
While KnollExtra relies on highly durable materials in each product line, regular basic maintenance will ensure the longevity of your product. Most stains, marks, and discolorations can be removed by following the simple instructions outlined on this page.

**Plastic**
Windex and a dry cloth.

**Stainless Steel:**
Windex and a dry cloth.

**Antique Brass, Brushed Zinc and Black Oxide:**
A damp cloth with no cleaning agents.

**Satin Brass:**
Pledge.

**Linoleum:**
Windex and a dry cloth.

**Contemporary and Traditional Standard Leathers:**
Mild soap and water on a soft cloth.

**Spinneybeck Leathers:**

As a result of the high quality aniline dye process, most scratches or minor stains can be removed simply by gently rubbing them with your fingers. The body’s natural oils revitalize the leather. For stubborn stains, use mild soap and water. Take care to wash the surface evenly since soaps may slightly alter the leather’s tonality.

**Surf Collection:**
Wipe nylon skin using warm water and mild detergent. Do not use abrasives.

**Office Automation Accessories/Storage Drawers:**
Clean with a soft cloth and Windex, Fantastik, Endust or other non-abrasive household cleaners.
Remove stubborn stains with SoftScrub.
For Surf Board and VDT Sleeve soft touch paints, never use abrasives. Clean with lukewarm water and a soft cloth.

**Marker Boards:**
For day-to-day use, surface requires only a dry cleaning with a standard felt eraser or dry cloth. For best results, keep marker board and marker pens at room temperature. KnollExtra suggests Bic Great Erase BOLD marker pens which are designed for use on marker boards. All marker pens should be tightly capped and stored horizontally when not in use.

Follow the instructions below as a periodic maintenance program, or to remove stubborn stains:

1. Clean with EV-1 or any liquid ammonia-added cleaner and rinse with clean water, then dry. For best results, wash board like a window with sponge and squeegee.

2. Interim cleaning may be done by sprinkling a dry powdered cleanser on an eraser and applying to the board in a circular motion. Rinse with clean water, then dry.

3. To remove crayon, scotch tape, or other stubborn materials, apply a mild solvent or paste made with scouring powder and water.

**Fabric Boards:**
Despite the durability of most panel textiles, fabric boards are subject to long-term soiling and wear. A regular maintenance program will significantly lessen soil and dirt build up or staining on your fabric boards. Cleaning is particularly important in areas adjacent to air conditioning or ventilation systems.

Remember to consult the care instructions provided by the fabric manufacturer. The general recommendations below should apply to most fabric boards.

1. Avoid excessive heat or moisture which can affect finishes and adhesives. Never allow fabric panels to become wet inside the core. Room temperature should be maintained between 50 and 85 degrees; humidity should be maintained between 20 and 50%.

2. Avoid contact with sharp edges which could puncture the surface.

3. Do not handle fabric boards more than necessary. Avoid bending or flexing the panels; this could break the bond between the surface and core materials.

4. Grease or oil should be wiped off immediately upon contact. Remove excess grease or oil by blotting. Use hot water and mild soap to remove any remaining residue.

5. Whenever possible, clean only with warm water and mild soap. Use caution when applying cleaning agents, particularly those that contain alcohol, strong alkalis, or solvents. These ingredients may react to the vinyl backing or adhesives used in the fabric boards. Always test cleaning agents on fabric from the rear of the panel before using on the front.

6. Care should be taken in using strong room cleaners or pesticides. Their fumes may contain agents which lead to the loosening of the fabric board glue bond.

**Pop Up Screens:**
Clean with soap and water. For greasy stains, use a cleaning agent, first testing in a less visible area.

- Antenna beam side mount: die cast aluminum.
- Freestanding base: plastic and cast iron.
- Occupancy sensor: extruded aluminum body, plastic face, end caps and lens.

### Design Awards

- Best of NeoCon 2013 Silver Award.
- Sparrow is TAA compliant.

---

The text above is a description of the Sparrow desktop LED light series, including various mounting options, technical specifications, ordering information, and design awards. The table details the different models, their descriptions, pattern numbers, and list prices. Additional information is provided for each option, including frame finishes, light finishes, and the flexibility of mounting and functionality. The text also highlights the construction details and the various design awards the Sparrow series has received.

**Power Cube, cord set**

- ACT-PW-PC-24-24-13-1C
- ACT-PW-PC-36-36-13-1C

**Ordering Information**

- Specify:
  - 1. Pattern number
- Finish note:
  - Power Cube finish is white markerboard paint.
  - Optional Magnetic Accessory Cup must be specified in one of the following finishes:
    - Code: Description
      - 111 Jet Black
      - 115 Medium Grey
      - 118 Bright White
      - 130 Dark Red
      - 131 Slate Blue

**General Notes**

- Each electrical module has either 4 outlets or 3 outlets and 2 USB ports, depending on specification.
- Power Cube is 13" high with 4 levelers. Hard wired comes with 72" whip. Cord set comes with 72" cord with a 3-prong plug for 120V outlets. Base includes one slot per corner for choice of cord exit.
- Magnetic Accessory Cup: See page 44.

**Construction**

- Power Cube: Powder coated steel, steel and nylon levelers
- Magnetic Accessory Cup: See page 44.

**Note:** Each Power Cube comes with a whiteboard finish and ships with 4 dry erase markers (blue, green, red and black) and a microfiber cloth eraser.

To prevent dry erase markers from drying out, store them with the cap down in the optional cup.

---

**Construction**

**Painted Legacy aluminum finishes** are still available for existing customers only.
- Medium Metallic Grey (DG)
- Soft Grey (DG)
- Warm Putty (WP)
- Flint (F)
- Black (Bk)

**Dividends Horizon panel mounting note:**
Slat board mounts on panel slots which are 5”-7 1/8” below the top cap, depending on the height of the panel.

**Mounting Options:**
- Please note: Flat panel monitor arms cannot be mounted on Orchestra® load bars. Flat panel monitor can be mounted on Orchestra® slat wall only when mounted on an architectural wall. Please review before mounting. Please see p. 134 for flat panel monitor support mount options.

**Dividends Horizon panel mounting note:**
Slat board mounted on panel slots which are 5”-7 1/8” below the top cap, depending on the height of the panel.

**Panel, stanchion and wall-mounted brackets:**
Wall, stanchion, or panel-mounted brackets are included in the list price.

**Custom Options**
- Panel, stanchion and wall-mounted brackets are included in the list price.

**Construction:**
- Corrosion-resistant T-6063-T5 painted or anodized aluminum. End caps are 11 gauge steel painted matte black. Bottom rail is filled with 3/8” Delrin plastic pellets to support papers on Info Rail.
- Prior to receiving the order, knock-down packages are built to ensure that each board is custom fit for the customer’s workspace.
- Once the order is confirmed, boards are loaded on trucks and shipped in custom designed protective cases to ensure that the order arrives in pristine condition.

**Note:**
- Slat board is available in custom lengths of up to 96”. Please note that for all lengths greater than 60”, load bar will be painted, not anodized.
- Brackets are currently available for virtually every major office system. Panel-mounted brackets for other systems can be developed. Minimum of 100 sets per bracket. Tooling and setup charges may be required.

**Painted Legacy aluminum finishes** are still available for existing customers only.

See page 134 for comprehensive mounting, application and construction information.

---

**Order Code**

Example: SAP-MA-S-CLMP-K-(115)-(R)

**SAP-MA-S**: Sapper single standard

**S-CLMP-K**: arm table clamp kit

**115**: Medium Grey

**R**: Red Knob

**Ordering Information**

Specify:
1. Pattern number
2. Finish where required

Kits do not require any additional mounting specifications.

**Standard Monitor Arm Finish Options:**
- Jet Black (111)
- Medium Grey (115)
- Bright White (116)
- Dark Grey (117)
- Silver Metallic (118)

**Silver Monitor Arm Finish Options:**
- Silver (SILV)
- Beige Mist Metallic (611)
- Medium Metallic Grey (612)
- Silver Metallic (613)

Standard single monitor arm kits in every finish are TAA compliant (Trade American Act), but not BAA compliant (Buy American Act). Kits without masts do not require and do not include adjustment knob and cable management clips.

ANSI/BIFMA X5.5-2014 Certified.
Sapper™ Monitor Arm Collection

Easy Order Single Arm Kits
by Richard Sapper

Kit includes everything needed to mount one monitor to a worksurface, slat wall or wall: single standard arm, 16" mast (unless otherwise specified), movement joint (includes fast release monitor plate), adjustment knob, cable management clips and mounting option (see right for options)

that go on the mast to keep wires tidy to the gates under the arm that will contain wires from installation and removal of monitors. There are External cable management allows for easy adjustability.

channel mount will be necessary for full slot side, then a SapperXYZ with extended channel mount. If overheads are mounted on the wall. Mounts can be moved after installation but the channel sides of Interpole with the proper mount.

Sapper arms can be mounted on either the slot or channel sides of Interpole with the proper mount. Mounts can be moved after installation but the other may have residual markings.

If screens are mounted on the slot side, use the channel mount. If overheads are mounted on the slot side, then a SapperXYZ with extended channel mount will be necessary for full adjustability.

**Cable Management:**

Monitor Arms

External cable management allows for easy installation and removal of monitors. There are gates under the arm that will contain wires from the monitor to plastic cable management clips that go on the mast to keep wires tidy in the electrical socket.

Gates

Clips

**Height Adjustment**

Fast Release

**Rotation, Swivel, Tilt and Depth Adjustment**

**Fast Release**

**Set Screw to Prevent Arm Removal**

**Compatibilty:**

The Sapper Monitor Arm Collection is not compatible with the Wishbone Flat Panel Monitor Support System (i.e., Wishbone, Zorro or Rotation arm, posts, tool base, brackets, mounting, etc.). They have been designed independently and as such parts from one system cannot be used with the other.

Monitors cannot be mounted on KnollExtra® Orchestra® load bars.

**Installation Instructions:**

Comprehensive installation instructions will be shipped with product and are also available on Knoll Exchange for easy reference.

Beams

Allows for swift installation and removal of flat panel monitors by merely pulling the bottom of the movement joint slide toward the user from the beam while lifting the top of the monitor up. For installations with Fast Release Wall Gears, simply pull the cord down while lifting the top of the monitor up.

**Thief Deterrence:**

All movement joints come with a set screw within the fast release pin, to prevent fast release if so desired. Also there is a set screw at the top of the mast to deter removal of the entire arm and monitor from the mast.

Deactivate Fast Release with Set Screw

**Beams**

Arm: die-cast aluminum with a cold rolled steel top plate

Mast: anodized aluminum extrusion

Beam: satin anodized extruded aluminum

Adjustment knob: nylon undermold with a TPU overmold

Movement joint (includes fast release monitor plate): plastic bushings, zinc and plastic molded plastic tilt friction components and glass filled nylon VESA plate

Movement joint slide: aluminum, powder coated silver

VESA plate adapters: steel

Table clamps, grommet mount, fixed table mount, Antenna center beam center mount: steel

Slot wall and wall mount (both mast and direct, both standard and compact arms): die cast aluminum with steel back plates

Double arm bracket: die cast aluminum, steel top plate, extruded aluminum posts, plastic upper and lower bushings

Triple support arm bracket: die cast aluminum, steel top plate, extruded aluminum posts, plastic upper and lower bushings

Must-to-beam bracket: aluminum, powder coated silver

Cable management: transparent poly-carbonate clips on the mast and beams; plastic grommets under standard arms

Antenna and Quadripole support arm bracket: die cast aluminum

Two-Piece Table Clamp, Deep Table Clamp, Heavy-Duty Table, Clamp, Grommet, Fixed Table and Antenna Center Beam Table Mounting: steel

Antenna Table Center Beam Side Mounting: die-cast Aluminum

Slot Wall and Wall Mounts both Direct Mast Mounting, Direct Mounting and Sapper 50 Direct Mounting (for both standard and compact arms): Die-cast Aluminum with steel back plates

Quadripole arm bracket: Die-cast Aluminum

Horsepower mounts: die-cast aluminum, powder coated, Steel VESA mounts.

#### Slat Wall Mounting Weight Limits

- **Note:** Weight limit per arm is 20 lbs. for standard, compact and sleeve arms unless weight limit for mounting option specified is less.

#### Mounting Option Weight Limits

- **Note:** For Sapper 50 arms, mast heights 8, 12 and 16" maximum load limit achieved using quad monitor arm bracket. 24" and 32" maximum load limit achieved using quad monitor arm bracket or stacking arms.
- **Note:** For Sapper 50 arms, mast heights 8, 12 and 16" maximum load limit achieved using single arm 24" and 32" 22.5 lbs maximum load limit achieved using single arm or stacking arms.
- **Note:** Single/double/triple/quadruple solutions can hold 20 lbs. per arm. Sapper 50 single can hold up to 50 lbs. per arm. Sapper 50 double can hold up to 30 lbs. per arm.
- **Note:** Quadruple monitor arm not an option.

#### Interpole Mounting Weight Limits

- **Note:** Interpole can hold 100 lbs. of weight per side, on a maximum of two opposite sides.

#### Wall Mounting Weight Limits

- **Note:** For Standard arms, weight limit per arm is 20 lbs., unless weight limit for mounting option specified is less.
- **Note:** For Sapper 50 single, weight limit per arm is 50 lbs., unless weight limit for mounting option specified is less.
- **Note:** For Sapper 50 double, weight limit per arm is 50 lbs., unless weight limit for mounting option specified is less.

### Slat Wall Mounting Weight Limits

- **Note:** Weight limit per arm is 20 lbs. for standard, compact and sleeve arm unless weight limit for mounting option specified is less.

Order Code
Example: XYZ-MA-30-111
XYZ: Sapper XYZ
MA: Monitor arm
30: Sapper XYZ 30
111: Jet Black finish

Ordering Information
Specify:
1. Pattern number
2. Finish

Standard Monitor Arm Finish Options:
- Jet Black (111)
- Medium Grey (115)
- Bright White (118)

Silver Monitor Arm Finish Option:
Silver (613)

Ordering Note
Due to extensive adjustability of Sapper XYZ monitor arms, a mock up is recommended to ensure it is suited for the specific workstation, particularly if placed in front of a wall or panel.

Sapper XYZ 30 uses Sapper XYZ Crossbar mounts and cable management clips.

Mounting and Application Information
See page 166 for comprehensive mounting, application and construction information.
Sapper XYZ® Monitor Arm Series
Sapper XYZ Crossbar Replacement Parts
by Richard Sapper

Kit includes everything needed to mount two monitors to a worksurface: Sapper XYZ Crossbar monitor arm, two movement joints, cable management clip and 2 fastener strips and mounting option (see right for options).

### Kit Includes
- Sapper XYZ Crossbar (includes two movement joints)
- Sapper XYZ Crossbar cable management clip for post (set of 10)
- Sapper XYZ Crossbar cable management fastener strip (set of 10)
- Sapper XYZ movement joint (includes fast release pin)

### Mounting and Application Information
See page 166 for comprehensive mounting, application and construction information.
Sapper XYZ Monitor Arm Series
Mounting, Construction and Application Information

Double Cockpit

adopted by most panel manufacturers. Ship standard with fast-release movement joint.

Double Flat

Sapper XYZ Monitors are intended to be connected directly to monitor or VESA plate adapters. Monitors are not intended to support any additional devices that are not connected or supported by the monitor. Leading monitors with additional devices, exceed the weight limit, which will affect the monitor's height, weight, or functionality. To ensure proper fit, it is recommended to use a cable management solution.

Double Flat

Flat Panel Mounting:

All Sapper XYZ monitor arms are compatible with the iMac and Thunderbolt Displays and iMacs. Apple, Inc. provides a list of compatible monitors on their website. For more information, please contact Apple or your local Apple store.

Fixed Table Mounting:

The Sapper XYZ monitor arms feature a built-in cable management system to ensure proper weight distribution and allow for easy installation and removal of the monitor. The cable management system can be adjusted to accommodate the weight of the monitor and ensure proper fit. For more information, please contact Apple or your local Apple store.

Arm Adjustment:

The Sapper XYZ monitor arms feature a built-in cable management system to ensure proper weight distribution and allow for easy installation and removal of the monitor. The cable management system can be adjusted to accommodate the weight of the monitor and ensure proper fit. For more information, please contact Apple or your local Apple store.

Throat Deterrence:

After installation and removal of flat panel monitors by merely popping the quick release pin to remove monitor with movement joint/back plate attached. Be sure to lift the arm to the highest position before removing monitor, so the arm will quickly move upwards.

Compatibility:

The Sapper XYZ monitor arms are not compatible with the Sapper Monitor Arm Collection. It has been designed independently, and as such, parts from one system cannot be used with the other, with the exception of the movement joint. Finish colors are consistent across the Sapper XYZ and Sapper Monitor Arm Collection.

Installation Instructions:

- Comprehensive installation instructions will be shipped with each monitor arm and are also available on Knoll Exchange for easy reference.

Construction:

- All iMac 21.5" models are compatible with Sapper XYZ monitor arms. Apple, Inc. provides a list of compatible monitors on their website. For more information, please contact Apple or your local Apple store.

Sapper XYZ and Sapper XYZ Crossbar monitor arms are not compatible with the Sapper Monitor Arm Collection.

KnollExtra®

- Arm: die-cast aluminum with steel channels and plastic molded shelf

- Movement joint (includes fast release monitor plate): plastic latches, zinc and plastic molded plastic tilt friction components and glass-filled nylon VESA plate

- VESA plate adaptor: steel
double clamp, grommet mount: steel

Cable management:

- Sapper XYZ single arm and Sapper XYZ Crossbar transparent polycarbonate clip on post, soft plastic in channel

- Sapper XYZ Crossbar: transparent polycarbonate clip on post, back and loop fasteners on crossbar

Antenna Table Center Beam Side Mounting: die-cast aluminum

**Mechanism Attributes**

- **Advanced Easy Lift arm**: Variable height adjustment 0.5" (up 2.1", down 6.5")
  - Soft touch knob adjusts tilt from 10° to (-) 20°
- **Short Easy Lift arm**: Variable height adjustment 0.5" (up 2.1", down 6.5")
  - Soft touch knob adjusts tilt from 10° to (-) 20°
- **Sit/Stand arm**: Variable height adjustment 14.2" (up 6.7", down 5.9")
  - Soft touch knob adjusts tilt from 10° to (-) 15°
- **Pivot feature**: Allows the keyboard platform to move independently from arm, allowing it to stay parallel to the worksurface as the arm is moved laterally.

**Application Notes**

- Keyboard support provides users with a more ergonomic working environment by allowing the height and tilt adjustment of the keyboard.

**Construction**

- **Platforms**: All platforms are HDPE. Wrists rests are polyurethane mold with polypropylene insert.
- **Mechanisms**: All arms are steel with a powder coat finish. Tracks are steel with nylon glides.

**Order Code**

- **Example**: OAK-21HP-AL-BK-PT-(22)
- **OAK-21HP-AL**- mounted on Antenna
- **OAK-21HP-BK**- Easy Lift mechanism
- **PT**- Dual Pivot
- **22**- 22" track

**Antenna and Tone Mounting Note**

- Keyboard support must be specified with a sliding track that is less than the depth of the top and anything below the top such as a power harnæ/ice or cable basket.
  - For taller individuals, we recommend using a dual pivot solution with the track mounted on the diagonal to maximize knee space.
- **Antenna**:
  - In order to mount on Antenna Workspaces, an adapter is needed, available through the Antenna price list. Pattern code XAK.
  - In order to mount on T-leg and 24" deep C-Leg tables, an adapter is needed, available through the Antenna price list. Pattern code XAK.
- For 30" deep C-Leg tables, specify the 16" track only.

</tr>
</tbody>
</table>

#### Additional Information

- **Adjustable Sling CPU Holder**: Black painted glass filled nylon mounting mechanism. Woven nylon sling.
- **Adjustable Vertical CPU Holder**: Black painted steel frame with glass filled nylon slide clamp.

#### Construction

- **Adjustable Sling CPU Holder**: Black painted glass filled nylon mounting mechanism. Woven nylon sling.
- **Adjustable Vertical CPU Holder (lockable)**: Black painted steel frame with glass filled nylon slide clamp.

### Mounting Note

- **CPU holders come standard with a 17" long track. They mount on worksurface 18" or deeper.**
- **The lockable Adjustable Vertical CPU Holder offers theft deterrence with a heavy-duty, tamper-proof locking nut with pentagonal key.**

### Antenna, Tone and Telescope Mounting

- **Antenna**: In order to mount on Antenna Workspaces, an adapter is needed, available through the Antenna price list. Pattern code YAPCU.
- **Tone**: In order to mount on Tone T-leg and 24" deep C-Leg, an adapter is needed available through the Antenna price list. Pattern code YACPU. 30" deep C-Leg provides enough track clearance.
- **Telescope**: Due to legroom clearance, CPUs cannot mount on Telescope tables less than 27" wide. For mounting on tables 27" or wider, only one power supply tray can be installed opposite from the CPU holder, and the YACPU adapter from the Antenna price list is needed.

**Options:**  
- Smooth Painted Finish:  
  - Jet Black (111)  
  - Biscuit (112)  
  - Dark Grey (113)  
  - Folkstone Grey (114)  
  - Medium Grey (115)  
  - Sandstone (116)  
  - Salt Grey (117)  
  - Beige Mill Metallic (631)  
  - Medium Metallic Grey (612)  
  - Silver (613)  
  - Bright White (610)

**Additional Information**

- **Single CPU Holder:**  
  - Accommodates equipment 4.8" - 9.2" wide.
  - Height limitation for equipment dependent on lowest setting of table height.

- **Double CPU Holder:**  
  - Each side accommodates equipment 4.8" - 9.2" wide.
  - Height limitation for equipment dependent on lowest setting of table height.
  - Weight capacity of 50 lbs. per support.

**Construction**

CPU holders are made of painted steel with adhesive-backed rubber liners and a nylon adjustment knob.

**Mounting Note**

Height adjustable table leg CPU holders are designed to attach around the leg of Knoll height adjustable tables, resting on the foot of the leg.

**Table Compatibility**

Height adjustable table leg CPU holders will work with Tones, Boll, and k. stand height adjustable tables.

The attachment for the table leg is not compatible with k. bench, Antenna Workspace, or Telescope.

### Order Code

- **TM**: Technology Management
- **CM**: Cable Management
- **BSKT**: Basket
- **CL**: Clear Finish

### Ordering Information

1. Pattern number
2. Finish

### Finish Options for Basket

- **Clear (CL)**: A clear powder coat finish on top of raw steel wire.
- **Charcoal (CH)**: A recycled black powder coat.

### Construction

- **Cable Management Clips**: Glass reinforced molded nylon.
- **Cable Management Basket**: Powder coated steel wire.

### Mounting Options

- **Cable Management Clips**: Each clip is 3.6” x 1.5”. Available in black finish only.
- **Cable Management Basket**: Basket is available in two finishes:
  - **Clear (CL)**: Clear powder coat
  - **Charcoal (CH)**: Recycled black powder coat

Both finishes may vary slightly due to the nature of the material.

### Mounting Note

Cable Management Baskets are designed to be mounted to the underside of height-adjustable or fixed height work surfaces through a series of screw holes in the attachment plates.

On average, use two clips per workstation.

**Custom Options**

- **For special sizes:**
  - For specified contact Customer Service. Maximum fabric board size is 120" W x 277" H. Fabric must be radiused on any panel wider than 60".
  - Wall-mounted applications must be specified as flush (F-WM-F) or reveal (F-RB-R) options are appropriate for any smooth, clean surface. Full wall mount option utilizes velcro squares.
  - Custom order material:
  - For approval, submit at least one yard of fabric for application testing.
  - All OPE, and textile that are not pre-approved must be UL-tested.
  - Please consult Knoll sales representative for pricing and fabric radiusing information.

**Construction**

- 1/2" thick mineral board for durable, highly tactile surface.
  - Manufactured in the United States.

## Order Code

**Example:** F-60-14-S1-A-40-W337/4 F-PM-R-14

**Ordering Information**

- Specify:
  1. Pattern number
  2. Corner/edge detail
  3. Fabric grade
  4. Fabric selection
  5. Mounting option pattern number
  6. System suffix (panel-mounted option only)

**Mounting Options**

- Standard fabric board has squared corner and rectilinear edge details. See above for edge upcharge.
- Thickness options:
  - Standard fabric board has 1/2" thick mineral board.

**Panel-mounted brackets:**

- Panel-mounted brackets are included in the list price but must be specified separately. To specify appropriate panel-mounted bracket, consult the Knoll sales bracket chart on page 12.
- Panel mounted bracket size must match height of fabric board.

**Wall-mounted options:**

- Wall-mounted applications must be specified as flush (F-WM-F) or reveal (F-WM-R). Both options are appropriate for any smooth, clean surface.
- Flush wall-mount option utilizes velcro squares.

**Corner/Edge Detail**

- Squared corner/rectilinear edge (S1)
- Squared corner/radiused edge (S2)
- Rounded corner/radiused edge (R2)

## Custom Options

**For specials contact Customer Service.**

**Maximum fabric board size is 120"W x 24"H. Fabric must be railroaded on any panel wider than 60".**

**Customer’s own material:**

- For approval, submit at least one yard of fabric for application testing.
- For panel-mounted applications, all COMs and textiles that are not pre-approved must be UL-tested.
- Please consult Knoll sales Customer Service for details.

## Construction

- 1/2" thick mineral board for durable, highly tackable surface.
### Scribe™ Mobile Markerboards by Antenna Design

</tr>
<tr>
<td>G</td>
<td>Two cups and two trays</td>
</tr>
</tbody>
</table>

### Construction

**Whiteboard:** Honeycomb core with medium-density fiberboard skin, high pressure laminate finish and ABS edge.

**Crossmember:** Aluminum

**Legs:** Steel

**Cup:** Die cast aluminum with wool felt insert and stainless fasteners.

### Note:

- Each markerboard ships with four dry erase markers (blue, green, red and black) and a microfiber cleaning cloth.
- Overall height from floor is 69” high, with writable surface starting 48” from floor.
- The optional marker tray runs the length of the crossmember. The optional marker cup mounts to the side.
- To prevent dry erase markers from drying out, store them with the cap down in the optional cup.

This Selling Policy supersedes all previous selling policies. Prices, discounts and product offerings are subject to change without notice.

**Ordering Information**
All orders must be in writing. The product pattern number(s) contained on Seller’s order acknowledgement shall be the final expression of the order.

**Order Confirmation**
A purchase order is not binding on Seller until Purchaser has received Seller’s order confirmation or acknowledgment.

**Pricing Policies**
List prices are subject to change without notice.

**Terms of Payment**
List prices shall be those prices in effect on the date of receipt of a complete purchase order unless shipment is requested more than ninety (90) days after order entry in which case prices in effect on the date of shipment apply. List prices include specified freight costs. Unless specified in writing by Seller, no other charges are included in Seller’s list prices.

**Taxes**
Purchaser shall submit to Seller the appropriate exemption certificates.

**Changes and Cancellation**
Purchase orders may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may affect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In the event of cancellations, Purchaser will be liable for reasonable cancellation charges established by Seller. Orders for special Product orders, including “COM” (hereinafter defined) material and orders pursuant to expedited delivery programs, may not be cancelled.

**Freight Prepaid**
Freight is prepaid and included in the price of all Products, except KnollTextiles, within the 48 contiguous United States for orders placed with Knoll, Inc. and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland for orders placed with Knoll North America Corp. Packing is tested for rigorous motion and transportation but is not guaranteed to protect furniture from all conditions. If special packaging is required for any reason, please consult with your sales representative or dealer. Seller shall select the method of shipment and routing. Freight for all KnollTextiles orders is prepaid and added to the invoice.

**Delivery/Freight Charges**
Shipments outside the contiguous 48 United States and Canada shall be shipped F.O.B. Origin. For shipments outside the contiguous United States and Canada, Purchaser is responsible for the cost of freight from point of embarkation, including any handling and transportation charges incidental to loading at the point of departure and unloading at the final destination.

**Claims**
All shipments for Knoll Products within the contiguous United States and Canada are F.O.B. Origin. All risk of loss passes to Purchaser at time of delivery to carrier. Purchaser shall inspect all Products upon receipt and notify Seller within ten (10) working days after receipt of any damage or defects which are, or should be, apparent from an inspection of the Product and its packaging. Failure of Purchaser to notify Seller within the ten (10) working day period shall constitute acceptance of the Products and waiver of any apparent defects, errors or shortages. For all claims relating to Product damaged in transit or for any other claims relating to or arising out of the transportation of the Product, Purchaser must seek recovery from the carrier and Seller has no liability to Purchaser for such claims. Seller may, upon request, assist Purchaser with filing of such claims with the carrier, but Seller will not be liable for any of these transportation related claims.

**Seller’s Security Interest**
Until Seller receives the full payment for the Product, Seller shall have a security interest in the Product. Purchaser agrees to perform all acts, including but not limited to the execution and filing of documentation, which may be necessary to perfect and assure the security interest of Seller.

**Returns**
The return of Products without a written authorization by Seller shall not be accepted. To receive authorization for Product return, please call Customer Service. All Products that are returned pursuant to a valid authorization shall be subject to a twenty-five percent (25%) of list restocking charge. Products not currently offered for sale by Seller (including “COM”) shall not be authorized for return. All returned Products must be unused, in original condition and in the original Seller packing cartons. No refund or credit shall be given for damaged Products.

**Held Orders/Storage**
If Purchaser requests that an order be held or delayed, prices and terms and conditions in effect at the time of shipment shall apply. If Purchaser requests a delay after the time when Seller can defer production, Purchaser will be invoiced for the Product, payable in accordance with standard terms, when the order is ready for shipment. Seller may transfer the Product to storage, in which case all expenses incurred in connection with storage, including demurrage, preparation for storage, storage charges and handling shall be payable by Purchaser upon submission of invoices by Seller. Risk of loss to the Product shall pass to the Purchaser upon delivery of the Product into storage.

March 15, 2020
Selling Policy

Customer’s Own Material

A Purchaser who requests a fabric or other surface material not standard to Seller’s line of Products (“COM”) must submit samples of the requested material to Seller prior to entry of a purchase order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriters Laboratories. If the COM is acceptable, Seller will then establish a price for using the COM or the Product in question. For a description of the procedures for submitting samples and testing, contact customer resources or your sales representative. Seller shall have no responsibility for the appearance, condition, performance, durability, colorfastness or any other physical attribute of the COM. Purchaser shall indemnify and hold Seller harmless for any damages, injuries or losses arising out of or related to use of the COM on the Product.

Warranty

Seller warrants to the original Purchaser only that the Products Seller manufactures and sells to Purchaser are free of defects in workmanship and materials, during the applicable warranty period set forth below.

Warranty period set forth below is for 24-hour, 7 days a week, multi shift use (includes parts and labor to repair).

Should any failure to conform with this limited warranty appear to a Product listed below during the applicable warranty period from the date of shipment, Seller shall, upon prompt written notice, repair or replace, at its option and costs, the affected part or parts.

Product and Period of Warranty

Lifetime: Antenna Workspaces, AutoStreud, Caliber, Cirimin Open Table, Currents, Dividends Horizon, Morrison, Reff Profiles laminate, Rockwell Unscripted, Series 2 Storage, Template, Quoin and other non-wood components (except cascade edge worksurfaces, operational parts, controls, electrical, Lighting, Series 2 Veneer Front Storage, digital locks, upholstery, textiles and leathers, special or custom products, see below)

12 Years: Chadwick, Generation by Knoll, k. task, Life, Moment, MultiGeneration by Knoll, Olio, ReGeneration by Knoll, Remix, and Togussen seating (except seating upholstery, textiles, leathers and finishes, see below)

10 Years: Anchor Storage except digital locks, Antenna Workspaces, AutoStreud, Cirimin Open Table, Dividends Horizon, Dividends Horizon Satellite Surfaces, Reff Profiles, Rockwell Unscripted, Quoin wood components, Template wood components, Series 2 Veneer Front Storage, cascade edge worksurfaces, Wood Casegoods (The Graham Collection) (except wood casegoods upholstered surfaces, see below), Reuter overheads, Reuter vertical storage, KnollExtra Sapper Monitor Arm Collection, Sapper XYZ Monitor Arm Series, Adjustable keyboard mechanisms and platforms, Communication Boards (except fabric board textiles, cork and FilzFelt, see below), Smokador collection (except leathers, see below), Orchestra Universal Systems Accessories, k. lounge structural components, KnollStudio Pixel and Propeller, Tone bases and kestrenn.

5 Years: Operational parts, controls, electrical, Lighting (except light ballasts, bulbs and power supply, see below), special or custom product, wood veneer products and plywood, Currents handcrank, knollStudio, Rockwell Unscripted wire bases, Spark Series seating structural elements, structural elements of all knollStudio outdoor products including all Richard Schultz designed products, knollExtra CIP holders and all universal storage drawers and Power Collection, k. bench (except changes in finish, see below) and k. stand bases (except changes in finish, see below)

3 Years: Rockwell Unscripted upholstered (except textiles and leather), Office Seating upholstery, textiles, leathers and finishes. Fabric boards textiles and Smokador Collection leathers, KnollExtra Pop Up Screens.

2 Years: Anchor Storage digital locks, Quoin digital locks, all other KnollExtra product and KnollTextiles Ultrasuede.

This warranty does not apply to:

• Damage caused by a carrier other than the Seller.
• Normal wear or tear or acts or omissions of parties other than Seller (including user modification, improper use or installation of Products).
• COM or other third party materials applied to Products.
• Products not installed by or under the auspices of a Knoll Dealer.
• Dramatic temperature variations or exposure to unusual conditions.
• Changes in surface finishes, including colorfastness due to aging or exposure to light.
• Except as specifically noted above, textiles and upholstery supplied by KnollTextiles and Spinneybeck FilzFelt (consult current price lists for applicable warranties).

Natural variations occurring in wood, marble, and leather shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of the colors, grains or textures, or surface hardness of such materials. The Seller also does not guarantee the colorfastness of fiberglass panel surfaces.

THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.

The remedies provided above are the Purchaser’s sole remedies for any failure of Seller to comply with its obligations regarding the workmanship of its Products. Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Seller, with respect to or arising out of the Product furnished hereunder.

Delay/Force Majeure

Seller shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of war or terrorism, act of any governmental authority or of the Purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. If any such event occurs, Seller may extend delivery dates by a period of time necessary to overcome the effect of such delays, allocate available Product or cancel any purchase order.

Compliance with Law

PURCHASER IS SOLELY RESPONSIBLE FOR COMPLIANCE WITH ALL APPLICABLE FEDERAL, STATE AND LOCAL LAWS, ORDINANCES, REGULATIONS, RULES AND STANDARDS RELATING TO THE INSTALLATION, MAINTENANCE, USE AND OPERATION OF THE PRODUCTS.

Subject to the following provisions, Seller shall, at its own expense, defend or, at its option, settle any claim, suit or proceeding brought against the Purchaser, and/or its vendees, mediate and immediate, so far as based on a allegation that any Product or any part thereof furnished hereunder constitutes a direct or a contributory infringement of any claim of any patent of the United States or Canada. This obligation shall be effective only if Purchaser shall have made all payments then due hereunder and if Seller is notified promptly in writing and given authority, information and assistance for the defense of said claim, suit or proceeding. Seller shall pay all damages and costs awarded in such suit or proceedings so defended.

The foregoing indemnity does not apply to the following:

• Products supplied according to a design other than that of Seller, and which is required by the Purchaser.
• Combination of the Product with another product not furnished hereunder unless Seller is a contributory infringer.
• Any settlements of a suit or proceeding made without Seller’s written consent.

Limitations of Liability

SELLER, ITS CONTRACTORS, AUTHORIZED DEALERS AND SUBCONTRACTORS OR SUPPLIERS OF ANY TIER SHALL NOT BE LIABLE TO PURCHASER FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM A BREACH OF THIS AGREEMENT.

Purchaser’s remedies set forth herein are exclusive and the liability of Seller with respect to the breach of this agreement or any contract entered into between the parties pursuant hereto shall not exceed the price of the Product or part on which such liability is based.

General Ordering Information

The Products
This guide encompasses all standard products for this product group.

Sizes
Dimensions listed in this guide are indicated as:
H = height
W = width
D = depth
Dia. = diameter
Rad. = radius

Pricing
All prices shown are list.

How to Order
Select pattern numbers and quantities required for your complete installation. Product questions can be addressed in the specific sections of this guide or by contacting your sales representative or customer resource representative at 1-800-343-5665.

Next, select options (if required), along with colors and finishes appropriate to each product. Reference the Finishes and Fabrics pages for color designations.

On large installations, an item’s “designated area” can be specified to assist in product organization and handling.

To expedite complete / correct entry of your order, be certain all pattern numbers, quantities, colors and area identifications are completely specified. Also, include complete purchase order numbers, bill-to and ship-to addresses, a contact name and specific factory shipping dates required.

Mail all orders to:
Knoll, Inc.
1235 Water Street
East Greenville, PA 18041
Attention: Order Entry

Once your order is entered at Knoll, an acknowledgment will be mailed to you. You will be advised of your scheduled shipping date within five days of the original acknowledgment. If it is necessary to revise your order, please contact your customer resource representative.

Sustainability Statement

Sustainable design is a key component of Knoll’s environmental focus. Our commitment to social responsibility and a healthy environment has prompted us to further articulate our longstanding environmental programs and, with encouragement and support from our colleagues in the industry, we have re-energized our focus on such “green” initiatives as life cycle analysis and LEED™ certification. Knoll is proud to have contributed to projects that have received LEED certification from the U.S. Green Building Council.

For the latest information on Knoll products that help our customers achieve LEED certification, log on to knoll.com, click on “About Knoll” and then “Environmental Focus.”
