Portoro

POLISHED (MP)

SATIN (MPS)

KnollStudio

Deep black background with large striking white and silver veining. Some gold veining may be present.

Portoro is a coated marble available in a high-polish or satin finish. The transparent coating creates a non-porous surface to prevent use-associated stains. Coating may yellow over time giving the marble a warmer tone.

**CARE AND MAINTENANCE:** Wash coated surface with lukewarm water. Clean more thoroughly with non-abrasive solution such as Windex or Fantastik. Rinse with warm water and dry with soft cloth. Marble should not be used outdoors.
