POLISHED (MR)

SATIN (MPS)

Rich red with hues that can vary from a violet to a green with white and green veins. Hues vary in tone and in intensity.

Rosso Rubino is a coated marble available in a high-polish or satin finish. The transparent coating creates a non-porous surface to prevent use-associated stains. Coating may yellow over time giving the marble a warmer tone.

CARE AND MAINTENANCE: Wash coated surface with lukewarm water. Clean more thoroughly with non-abrasive solution such as Windex or Fantastik. Rinse with warm water and dry with soft cloth. Marble should not be used outdoors.
