Antenna Workspaces

Ladder and Accessories

Antenna ladder and accessories provide choice and personalization, allowing individuals and groups to make a space work for them.

- + **Ladder.** A refreshing way to organize screens and accessories to suit individual needs. A series of horizontal rungs allows different configurations to be planned on either side while allowing natural light to filter to workstations and keeping sightlines to colleagues open
- + **Headset Hook.** Frees up desk space—perfect for a headset, hat or set of keys
- + **Phone Rest.** A home for your mobile device to lower distractions and recharge
- + **Cup.** Features two compartments for organization
- + **Moveable Screens.** Offer partial privacy and a tackable surface in a variety of sound-absorbing materials and colors
- + **Tray.** Slotted interior base makes sorting or propping notes easy, and handle allows you to take it with you wherever you go throughout the day
