Anchor™
Towers

Designed by
Marc Krusin with David Noel
Anchor Towers

Anchor Towers offer solutions for personal and professional storage in an efficient footprint. A large range of configurations balance user's needs for organization and security.

A Raised foot option offers high-capacity, spine-based storage solutions
B Optional markerboard and tackboard front panels provide a place for personalization
C Combine open cubbies for display or quick-access resources with enclosed compartments to secure coats, files and supplies

Warranty
10 years
