

# Anchor™ Overheads & Stackers

**Designed by**

Marc Krusin with David Noel

## Anchor

### Overheads & Stackers

Anchor stackers and wall-mounted overheads offer quick access to resources above the worksurface.

- A** Stackers divide space between users while providing open storage for display or personal items
- B** Markerboard or tackboard stacker backs add functionality and opportunities for personalization
- C** Plan overheads at traditional heights or mount lower for use as a floating credenza

### Warranty

10 years
