

Dividends Horizon®

Planning with Applied Wall and Desks

Dividends Horizon Applied Wall and freestanding desks combine to create compelling private offices and group spaces that balance collaboration and privacy.

Offered in a broad range of material options, Applied Wall and desk components deliver a consistent aesthetic throughout the workplace.

Dividends Horizon

Planning with Applied Wall and Desks

- A** Wall mounted overheads
- B** Worksurface
- C** Storage
- D** Insert material options

Features

- + Components are scaled and detailed to transition from the private office to open plan workspaces.
- + Structural and material integrity at an efficient price point.
- + Fabric inserts provide industry-leading levels of acoustic performance: NRC: .7, STC: 11.
- + Metal trim components provide durability and consistent color, gloss and texture.
- + Universal components (posts, trim, inserts) offer cost-effective and efficient reconfigurations.
- + Wall-mounted slatwall tiles support KnollExtra Orchestra accessories.

Planning

- + Wall tracks may be positioned in 6" widths from 24" to 48".
- + Worksurfaces up to 24"D may be mounted to wall tracks using standard supports.
- + Product enhancements are backward-compatible to minimize cost of ownership while providing future planning flexibility.
- + Compatible with Dividends Horizon panels, ensuring long term consistency.
- + Coordinates with Knoll universal storage components and freestanding height-adjustable tables.
