Washington Corona Coffee Table

Monumental and sculptural, the Washington Corona coffee table is a reflection of David Adjaye's architectural vision. The dynamic form is constructed of four die-cast aluminum or bronze panels, and four connecting plates with a clear glass top.

The bronze roughhewn exterior contrasts the highly reflective, hand polished interior which creates a play between light and texture.

STATEMENT OF LINE

STATEMENT OF LINE

- + Aluminum Interior and exterior panels are finished in a smooth gloss black or white powder coat paint
- + To mark the 75th anniversary the bronze coffee table is limited to an edition of 75. Each table is stamped with an edition number.
