ReGeneration by Knoll

Work Chair

Innovative in its simplicity, ReGeneration by Knoll minimizes materials and components. Its straightforward design leverages flexible and durable materials that respond to your movements, providing comfort and ergonomic support throughout the day without interrupting your work flow.

- A** The high-performance elastomer Flex Back Net features integral lumbar support with an optional adjustable lumbar support available
- B** Flex Seat offers three sides of seat edge flex and seat depth adjustment
- C** Weight-compensated Dynamic Suspension control provides a smooth, synchronized recline and four independent flexors that respond to multidirectional movement, recline resistance option for greater upright support
