## Knoll FSC® Mix 90% Claim NC-COC-004496

**About this certification:** The FSC® Mix 90% claim means that 90 percent of Knoll FSC® (FSC® C028824) wood comes from FSC-certified forests and 10 percent comes from Controlled Wood sources. Controlled Wood is not necessarily FSC-certified but is approved for the FSC supply chain and must adhere to its standards. Knoll, Inc. is aligned with the U.S. Green Building Council and the Canadian Green Building Council and can help organizations achieve the Leadership in Energy and Environmental Design (LEED) workplace certification. Our products can also help clients comply with the International Living Future Institute to achieve Living Building Challenge Certification, and with the International WELL Building Institute.
