A Price List Overview
Where do I send my order? How should I maintain my marble table? From textile options to wood polishes, the KnollStudio price list is designed to provide you with everything you need to know in order to understand, specify, and care for furniture in the KnollStudio Collection.

This book is divided into three easy-to-use sections.
- Propeller Table Series
- Pixel™ Tables Series
- LSM Conference Tables

For a quick overview of the collection’s scope, review the Visual Index on pages 0-4. If you’re looking for pieces by a specific designer, try the Designer Index on page 2.

Finishes
For detailed explanations of the many materials used in constructing KnollStudio furniture, consult page 7. A cross-reference of KnollStudio veneer or lumber finishes with standard Knoll Office veneers is provided on page 7. Easy-care maintenance information is also provided on pages 8-9.

Placing Your KnollStudio Order
For information about where to send your order and key terms and conditions, see page 9. The complete Knoll Selling Policy is available on pages 235-236.

General Ordering Information and Knoll’s Sustainability Statement is available on page 237

Product Information On Each Page
On each page, the following features will assist you:
- Description provides both the pattern number and a basic description of the product.
- Dimensions provide the overall space the product will require. Statistics are based on the maximum width, depth, and height of the product.
- Weight is based on the product itself. It does not include packaging. Weights are rounded to the nearest pound.
- Weights of upholstered items do not include weight of textile/leather. To calculate total weight, multiply covering requirements by textile/leather weight, and add to product weight.
- Pattern Number provides both the product identification number and all additional selections required for ordering. Finish options are enclosed in parentheses. Finish suffix descriptions are found under Finishes on the bottom portion of the page.
- Order Code/Ordering Information outlines exactly how to specify KnollStudio product and the full scope of finishes and other options. The Order Code provides an example of how one pattern number on the page is specified.
- Construction provides specific materials and finishes employed, as well as specific construction details.

Note to Knoll Dealer Sellers:
The products contained in this price list are also available through the Knoll Essentials program, with limited exceptions. For additional information, please contact your customer service representative or visit Knoll Exchange.

For More Information
For more information, contact your KnollStudio representative, a Knoll Space retailer or e-tailer, or telephone Customer Services at 800 343-KNOLL. To find the retailer or showroom nearest you, visit www.knoll.com.
Intertek Clean Air Certification

Intertek’s Clean Air Certification validates the level of volatile organic compound (VOC) emissions from products. VOCs are gases emitted from products and include a variety of chemicals that may affect consumers’ health in the short- and long-term. Both Intertek Clean Air GOLD and SILVER certifications ensure the user-health, safety and sustainability of Knoll products. A selection of Knoll Office and KnollStudio products are Intertek certified Clean Air, most of which are certified GOLD, which imposes more rigorous standards than certified SILVER.

- USGBC LEED credits
- California 01350 Special Environmental Requirements (CDPH)
- California Department of General Service (DGS) Indoor Air Quality Specifications for Open Panel Office Furniture
- Compliant to BIFMA e3 standard credit 7.6.2 and 7.6.3
Materials and Finishes

KnollStudio Natural Materials
Wood and marble are natural materials that vary. Use material samples and printed sample materials as reference only. KnollStudio printed and finish samples offer an example of what an “average” natural material may look like, within a range of acceptance carefully delineated by Knoll. Because of the breadth of variations possible with any natural material, Knoll specialists select these materials with stringent criteria, accepting only the top 3 - 5% of what is available.

Wood
Knoll Natural Veneers
All natural finishes are selected from the finest hardwoods available around the world. Veneers are flat cut and carefully matched so that cathedral or heart patterns are perfectly balanced. Natural veneers also are cut to allow a generous margin of quarter-grain figuring ensuring invisible splicing.

Marble
Knoll selects the highest quality, structurally sound marble through a host of quarries in the United States, Turkey, Spain, Slovenia and Italy. Because each mountain range and quarry have their own signature, every marble piece - even within a single quarry - is unique. Hues, veins, crystals, fossils, clouds, and distinctive marks will vary from piece to piece. This is the extraordinary character of stone as a material. Its high quality and its unique nature give the Knoll tables a feel of incredible sculptural beauty. The following are the marbles that KnollStudio offers:

Coated Marbles
Coated Marbles
Coated marbles have transparent, high-polish, polyester coating to prevent use-associated stains. Even with this protection, coated marbles should not be used outdoors. Stains should be wiped immediately. Coating will yellow over time.

Satin Coated Marble
Satin coated marbles have transparent satin polyester coating to prevent use-associated stains. This satin finish gives the stone a natural, honed appearance while providing the same protective qualities as the Coated Marbles. Even with this protection, satin coated marbles should not be used outdoors. Stains should be wiped immediately. Coating will yellow over time.

Arabescato
Ivory white with dark grey veining. May contain random green veins.

Calacatta
Ivory white. Gold and beige random veins with additional veins varying from cream to green and grey.

Grey Marble
Grey with black and white veins. Hues vary in tone and intensity.

Man-Made Materials & Finishes
Stainless Steel
Completely rust-proof, highly durable, and resistant to bending stress.

Polished Chrome
Several-step plating process that includes a heavy layer of nickel for added rust protection and a bright mirror finish.

Satin Chrome
Chrome plating applied for a soft satinized chrome finish with a higher nickel content.

Polished Aluminum
A shiny, polished finish.

Clear Anodized Aluminum
A light grey satin finish.

Laminate
An exceptionally durable plastic surface. Highly resistant to most chemicals and extensive wear.

Vetro Bianco:
Vetro Bianco is an engineered resin free quartz surface. The brilliant white surface is nonporous, stain proof, and extremely durable making it suitable for indoor and outdoor use.

Vetro Bianco:
Vetro Bianco is an engineered resin free quartz surface. The brilliant white surface is nonporous, stain proof, and extremely durable making it suitable for indoor and outdoor use.
With proper care, your KnollStudio furniture should last for years to come. To help ensure the longevity of your purchase, below are helpful hints on routine cleaning for your KnollStudio piece. Most basic maintenance can be performed with common household cleaning products.

**Wood**
Clean with a commercial brand of liquid furniture polish twice a month. For stubborn dirt or light scratches, rub lightly with very fine steel wool before using furniture polish. Steel wool Grade #0000 is recommended. To rejuvenate luster, apply a furniture cream as a last step. Do not use water or household solvents: they will destroy the protective finish.

**Marble with Polyester Coating**
Wash with lukewarm water. Wash more thoroughly with Windex, Fantastik, Ivory Flakes in warm water, or other non-abrasive solutions. Rinse with warm water and dry with a soft cloth.

**Vetro Bianco**
Wash surface with lukewarm water. Clean more thoroughly with a non-abrasive solution such as Windex or Fantastik. Rinse with warm water and dry with a soft cloth. Wipe off stains immediately with water and a soft cloth. Never use steel wool or other abrasives on surface.

**Glass/Acrylic Polycarbonate**
Clean with Windex, Fantastik or other non-abrasive cleaning solutions. Wipe dry with a clean cloth.

**Laminate/Melamine**
Scrub with Windex, Fantastik, Mr. Clean, or other household soaps or detergents well dissolved in water, or with a very soft cloth dampened with alcohol or a synthetic thinner. For a dull finish, rub with jeweler’s rouge as a polishing agent and finish with paste wax. Never use abrasives. Remove stubborn stains with Soft Scrub.

**Stainless Steel**
Use Windex, Fantastik, or other non-abrasive household cleaners. For small scratches, rub with Comet, Ajax, or other mild abrasives in the direction of the grain. Apply a coat of auto wax to maintain beauty.

**Chrome/Satin Chrome**
Clean with Windex or an automotive chrome cleaner such as Semi-Chrome twice a month. Apply a coat of hard paste wax to protect against moisture.

**Polished Aluminum**
Clean with Windex, Fantastik, or other non-abrasive cleaning solutions. Coat with a hard paste wax semi-annually to maintain luster and prevent discoloration.

**Anodized Aluminum**
Clean with mild soaps, detergents, or other non-abrasive cleaning agents. Apply paste wax or DuPont non-abrasive car polish #7 twice a year to prevent oxidation.

For stubborn stains or discolorations, apply naval jelly aluminum cleaner.

**Urethane Edge**
Clean with household soaps and detergents well dissolved in water. Do not use abrasive cleaning solutions.

**Powder Coat Paint**
Clean with Windex or Endust using a soft cloth. Remove stubborn stains with Soft Scrub.
Placing Your KnollStudio Order

Use the Following Address:
If you would like to send an order directly to our order entry departments, please use the following address:

Knoll, Inc.
P.O. Box 157
East Greenville, PA 18041
Attn: Order Entry
Fax: 215 679-1570
Tel: 800 343-KNOLL

When Placing Your Order, Include:

- All information requested on the order form.
- Local taxes for the “delivered to” address.
- For orders $2,000 or under (including applicable taxes and delivery/installation fees, if any), full payment must be made when order is placed.
- For orders over $2,000, a deposit equal to one-half of the complete order value is required at order placement. Balance must be settled before shipment.

Key Points to Remember:

All accepted orders will be confirmed in writing on the Knoll standard acknowledgement form. A copy of the acknowledgement will be mailed to the customer prior to production.

Freight within the 48 contiguous United States and Canada, excluding the Yukon, Northwest Territories and Newfoundland, is prepaid and included in the price of all orders.

For residential orders, Knoll strongly recommends White Glove delivery service to most locations in the Continental United States and Canada. White Glove service includes inside delivery, unpacking, furniture installation and removing cartons and crates. The fee for this service will be quoted at the point of purchase.

KnollStudio’s limited warranty covers all furniture against manufacturing defects in this price list for a period of five years after delivery to the customer.

All pricing is in U.S. dollars.

For More Information:

For complete Knoll Selling Policy and warranty information, please refer to pages 235-236 in the back of this price list.

For additional information on KnollStudio, contact your KnollStudio representative, a Knoll Space retailer or e-tailer, or telephone Customer Services at 800 343-KNOLL. To find the retailer or showroom nearest you, visit www.knoll.com.

- Birch, matte (suffix 154)
- Maple, matte (suffix 155)
- Birch, matte (suffix 156)
- Maple, matte (suffix 157)
- Birch, matte (suffix 158)
- Maple, matte (suffix 159)
- Birch, matte (suffix 160)

**Hybrid Chrome Base:**
- Chromed legs are available on KCXW at an upcharge of $865 list. Legs and feet will be chromed while the horizontal trough will be in a standard Pixel paint finish. Please note Hybrid Chrome has an upcharge of $10 on top tables on 48" depth. (Example: KCXER6030-C-114-300-Y-118T-C)

### Electrical

**Caster Options:** (622 list per caster)

- Tables may be specified with no cutouts (code Y). For single or double cutout options, please choose your electrical “module” then refer to the cutouts on page 10 for the proper cutout code.

**Note:**
- Caster cover must be ordered separately if specifying a grommet cutout. Please refer to page 174-175.

**Note:**...

### Construction and Finish

**Colored laminate finishes:**
- Constructed of particle board substrates covered with a combination of laminate or wood veneer top and phenolic backer sheet bottom. Laminate tops can be specified with a black ABS or molded urethane edge. Veneer tops will have matching solid wood edge. Solid wood edges can be specified on corner wedge tops with a wood veneer top. Edge and top will match.

**Edges:**
- Legs are constructed using a combination of cast extruded aluminum. Base and upper mounting plates are cast aluminum and bolted to an extruded aluminum vertical stem. Finished in a highly durable textured powder coated cast.

### Maintenance

**Note:**
- Tables are certified Clean Air GOLD.

### Table Configuration

- Each table as fitted with a Pixel corner connector on the undersides of each corner.
- To join the tables, align the mechanisms and slide the lever along the curved path to engage.

**Trough cutout on C-Leg Only**

- C-Leg tables may be specified with a corner trough cutout but only if two box cutouts are specified on the top.

**Note:**
- Table cutouts are certified Clean Air GOLD.

Finish Options:

- Woodgrain laminate finishes:
  - Medium Cherry (suffix 124)
  - Natural Maple (suffix 125)
  - Walnut (suffix 127)
  - Light Ash (suffix 139)
  - Natural Oak (suffix ON)
  - Fumed Oak (suffix 110)
  - Elephant Oak (suffix 40)

- Powder coat paint:
  - Black (suffix 504)
  - Graphite Pear (suffix 144)
  - Classic Oak (suffix 143)
  - Graphite Pearl (suffix 145)
  - Walnut (suffix 127)
  - Medium Cherry (suffix 124)

- Hybrid Chrome Base:
  - Stainless Steel (suffix 122)
  - Aluminum (suffix 110)
  - Platinum (suffix 004)

- Veneer:
  - Oak (suffix 111)
  - Maple (suffix 112)
  - Birch (suffix 113)
  - Walnut (suffix 127)
  - Light Ash (suffix 139)
  - Bright White (suffix 118)
  - Folkstone (suffix 004)
  - Platinum (suffix 367)
  - Innertone (suffix 386)

- Casters:
  - Locking casters (suffix C)
  - Glides (suffix G)

- Glazed Casters:
  - Glazed (suffix G)
  - Carved (suffix C)

Electrical Options:

- Cutout for electrical module(s) then refer to the cutout matrix on page 29 for the proper cutout code.

- Note: Glides are not available on flip top tables.

- Construction:
  - Constructed of particleboard substrates sandwiched between laminate or wood veneer top and phenolic backer sheet.
  - Laminate tops can be specified with a flat, 3/4” (1.9 cm) thick steel edgeband.
  - Veneer tops will have matching solid wood edge. Solid wood edges can be specified on corner wedge tops with a wood veneer top.

- Features:
  - Each table is fitted with a Pixel connector on the underside of each corner. To join the tables, align the connectors and slide the faces along the curved paths to engage.

- Trench cutout on C-Leg Only.
  - Center Trench

- Pixel tables may be specified with a center trench cutout but only if no box cutouts are specified on the top.
  - Corner Trench

- Note: Pixel tables are certified Clean Air GOLD.

  - Medium Grey (suffix 117T)
  - Maple (suffix 115T)
  - Cherry (suffix 116T)
  - Oak (suffix 117T)

### Specifications

- **Example:**
  - KLCPW4818-(C)-( )-( )-( )-( )

### Electrical

- **Flip tables:**
  - Electrical connector on the underside of each corner.
  - Ganging tables: Use magnetic fixtures to secure units and cords to black horizontal beam underneath the tabletop. Tool-free screws and covers inside the management bar.

### Features

- **Fly Mechanism:**
  - To flip tabletop, pull out button on right side of the table and use other hand to gently lift the tabletop up. Black button on left side of the table can also be pushed while performing the same movement.

- **Maintenance:**
  - See page 8.

- **Note:**
  - Pixel tables are certified Clean Air GOLD.

- Whitened Ash (suffix 141)
- Warm Ash (suffix 140)
- Natural Oak (suffix 125)
- Medium Cherry (suffix 124)
- Natural Cherry (suffix 126)
- Medium Grey (suffix 115)
- Medium Oak (suffix 123)
- Black (suffix 111)

**Finish Features:**

- Edgeband: Bright White
- Top: Whiten Ash

**Weight:**

- 26 lbs

**Cutout Options:**

- (For tables with bright white legs, the face of the cutout is white and the edge is black. For all other leg finishes, cutouts are all black.)

**Electrical Options:**

- Cutout options: (82$ per cutout)
  - Electrical outlet: (code X)
  - Box: (code Y)
  - Single outlet: (code W)

**Features:**

- Ganging tables: Each table is fitted with a Pedal connector on the underside of each corner. Four leg tables have the ganging mechanism incorporated into the leg castings. To join the tables, slide the mechanism and slide the lever along the curved path to engage.

**Tabletops:**

- Veneer top and phenolic backer sheet sandwiched between laminate or wood veneer top and phenolic hardcore sheet bottoms. Laminate tops can be specified with a flat MDF or molded urethane edge. Veneer tops will have matching solid wood edge. Solid wood edges can be specified on corner wedge tops with a solid veneer top. Edge and top will match.

- Legs: Legs are extruded aluminum and finished in a highly durable textured powder coat finish.

- Folkstone (Suffix 004)
- Platinum (Suffix 367M)

**KGANG Pixel ganging mechanisms**

- 552.00
- 636.00
- 1091.00

**Construction**

- Laminate and corner top:
  - Constructed of particle board substrates sandwiched between laminate or wood veneer top and phenolic backer sheet bottom. Laminate top can be specified with a flat ABS or molded urethane edge. Veneer top will have matching solid wood edge. Solid wood edges can be specified on corner wedge tops with a wood corner top. Edge and top will match.

- Hangers:
  - Hangers are made of steel and finished in a highly durable textured powder coat paint.

- Dimensions:
  - Side depth refers to edges adjacent to connecting tables. Width refers to edge facing the user.

**Features**

- **Corner Wedge Top:**
  - The Corner Wedge Top is used to easily transition Pixel rectangular training tables into L-shape, U-shape or hollow square configurations. This top connects to the adjacent tables by powder coated steel hangers and Pixel ganging brackets. By eliminating legs in the design, the Corner Wedge allows for unencumbered leg room in the corner position.

- **Corner Wedge Dolly:**
  - The Corner Wedge Dolly is made of black powder coated steel on casters and can fit up to 12 wedges. The handle on the dolly can be used to support the weight of the Corner Wedge while ganging or removing from the Pixel Tables.

- **Maintenance:**
  - See page 8.

**Note:**

- Pixel tables are certified Clean Air GOLD.

**Features**

- **Electrical**
  - Ganging frames are available on Pixel Trapezoid Tables.
  - Each table is fitted with a Pixel ganging mechanism.

- **Construction**
  - Constructed of particle board substrates sandblasted between laminate tops and phenolic backer sheet bottom. Laminates can be specified with a flat ABS or molded laminate edge.

- **Accessories**
  - Casters are all black. For all other leg finishes, the face of the casters are white and the edge is black.

- **Dimensions**
  - Side depth refers to the shorter non-parallel sides of the trapezoid top.
  - All tables may be specified with no cutouts.

**Ganging Options**

- Cutout matrix: Please refer to the cutout matrix on page 10 for the proper cutout code.

**Technical Specifications**

- **Finish**
  - Color Options: (suffix D#)
  - Finish options are available on Pixel Trapezoid Tables.

- **Laminate**
  - Woodgrain finishes:
    - Zebra (suffix 145)
    - Graphite Pear (suffix 144)
    - Classic Oak (suffix 143)
    - Grey Ash (suffix 142)
    - Whitened Ash (suffix 141)

### Construction

- **Materials:** Constructed of particle board substrates sandwiched between laminate tops and phenolic backer sheet. Laminate tops can be specified with a flat ABS or molded melamine edge.

### Electrical

- **Cutout Options:** ($32 list per cutout)

### Features

- **Ganging:** Each table is fitted with a Pixel ganging mechanism on the underside of each table. To gang tables, align the mechanisms and slide the lever along the curved path to engage. The Pixel Trapezoid Table Series are designed to gang and integrate with rectangular tables with the same depth from the Pixel Table Series.

### Table Dimensions

- **Dimensions:** Side depth refers to the shorter nonparallel sides of the trapezoid top.

### Table Finishes

- **Woodgrain laminate finishes:**
  - Zebra (suffix 145)
  - Graphite Pear (suffix 144)
  - Classic Oak (suffix 143)
  - Grey Ash (suffix 142)
  - Whitened Ash (suffix 141)
  - Warm Ash (suffix 140)
  - Light Ash (suffix 139)
  - Walnut (suffix 126)
  - Natural Cherry (suffix 126)
  - Natural Maple (suffix 125)
  - Natural Beech (suffix 124)
  - Natural Oak (suffix 124)
  - Maplegrain laminate finishes:
    - Black (suffix 111)
    - Folkstone, matte (suffix 115)
    - Bright White, matte (suffix 111)
    - Folkstone, matte (suffix 114)
    - Black, matte (suffix 111)
    - White (suffix 113)

KS-31 Pixel Pedestal

**Finishes**

- Colored laminate finishes:
  - Bright White (suffix 118)
  - Folkstone, matte (suffix 114)
  - Black, matte (suffix 111)

- Woodgrain laminate finishes:
  - Medium Cherry (suffix 124)
  - Natural Maple (suffix 125)
  - Natural Cherry (suffix 126)
  - Walnut (suffix 127)
  - Light Ash (suffix 139)
  - Warm Ash (suffix 140)
  - Whitened Ash (suffix 142)
  - Gray Ash (suffix 144)
  - Graphite Pear (suffix 148)
  - Zebra (suffix 145)

- Veneer top/Veneer edge/Veneer case finishes:
  - American Walnut (suffix AW)
  - Natural Oak (suffix ON)
  - Face Grain Oak (suffix FG)

- Printed case finishes:
  - Bright White (suffix 1107)
  - Jet Black (suffix 1113)

- Flat edgeband finishes:
  - Black (suffix 111)
  - Mink (suffix 112)
  - Intensive (suffix 113)
  - Platinum (suffix 116)
  - Folkstone (suffix 114)
  - White (suffix 110)

- Woodgrain flat edgeband finishes:
  - Medium Cherry (suffix 124)
  - Natural Maple (suffix 125)
  - Natural Cherry (suffix 126)
  - Walnut (suffix 127)
  - Light Ash (suffix 139)
  - Warm Ash (suffix 140)
  - Whitened Ash (suffix 142)
  - Gray Ash (suffix 144)
  - Graphite Pear (suffix 148)
  - Zebra (suffix 145)

- Leg finishes:
  - Black (suffix 111)
  - Bright White (suffix 1107)
  - Medium Gray (suffix 1137)
  - Aluminum (suffix 9001)

- Glides/Casters:
  - Glides (suffix G)
  - Caster (suffix C)

**Construction**

- Case:  
  - 3/8\" MDF with mitered corners for seamless edges. Case is constructed using dowel joints for added durability. Wood veneer applied on surface of each side or finished in a wet coat paint.

- Drawers:
  - Body of drawer is veneer wrapped, mitered, and glued 1/2\" particle board. Drawer front is 3/4\" particle board with wood veneer applied on surface of each side or finished in a textured wet paint.
  - The drawer features a faux double drawer facade which is delineated with a horizontal 1/8\" groove painted or stained to match the case finish.

- Laminate and veneer tops:
  - Constructed of particle board wrapped in laminate or wood veneer. Edges can only be specified with a flat ABS edge for laminate tops, and solid wood for veneer tops.

- Note:
  - There is a 1/8\" reveal between the top of the case and the bottom of the pedestal top.

- Legs:
  - Legs are constructed using a combination of extruded aluminum and a machined aluminum short metal plate. Upper mounting plate is aluminum and bolted to an extruded aluminum vertical stem. Finished in a highly durable textured powder coat paint.

- Maintenance:
  - See page 8.

- Interior configuration:
  - KS-31

### Order Code

**Example:**

KS-21R-G-G-118-118T-118T-118T

- KS-21R Pixel Console, split double pencil drawer (right)
- G Glides
- 118 Bright White laminate top
- 118T Bright White ABS edge
- 118T Bright White painted case
- 118T Bright White legs

**Specify:**

1. Pattern number
2. Glide selection
3. Top finish selection
4. ABS edge selection
5. Case finish selection
6. Leg finish

### Finishes

#### Colored laminate finishes:
- Bright White, matte (suffix 118)
- Black, matte (suffix 111)
- Woodgrain laminate finishes:
  - Medium Cherry (suffix 124)
  - Natural Maple (suffix 123)
  - Natural Cherry (suffix 126)
  - Walnut (suffix 127)
- Light Ash (suffix 139)
- Warm Ash (suffix 140)
- Whitewash Ash (suffix 435)
- Grey Ash (suffix 142)
- Classic Oak (suffix 143)
- Graphite Pear (suffix 144)
- Zebra (suffix 145)

#### Veneer top/Veneer edge/Veneer case finishes:
- American Walnut (suffix AW)
- Natural Oak (suffix ON)
- Fumed Oak (suffix 004)
- Elmwood Oak (suffix 005)
- Painted case finishes:
  - Bright White (suffix 1107)
  - Jet Black (suffix 1115)

### Construction

- Case: 3/4" MDF with mortised corners for maximum edges. Case is constructed using dowel joints for added durability. Wood veneer applied on surfaces of each side or finished in a wet coat paint.
- Drawers: Body of drawers are veneer wrapped, mitred, and glued 1/2" particle board. Drawer fronts are 3/4" particle board with laminate or wood veneer applied on surfaces of each side or finished in a textured wet paint. The consoles feature false front facades that show three drawers and a split double pencil drawer (left or right). These are delineated with 1/8" grooves painted or stained to match the case finish.
- Laminate and Veneer tops: Constructed of particle board wrapped in laminate or wood veneer. Edges can only be specified with a flat ABS edge for laminate tops, and solid wood for veneer tops.
- Legs: Legs are constructed using a combination of cast and extruded aluminum. Upper mounting plates are cast aluminum and bolted to extruded aluminum legs and horizontal crossbars. Finished in a highly durable textured powder coat paint.
- Maintenance: See page 8.

### Ordering Information
**Case and Receptacle Finishes:**
- Black case with Black receptacles (suffix BK)
- White case with White receptacles (suffix WH)
- Bright White case with Bright White receptacles (suffix 118)

**Construction: Description:**
- KE1: Die-cast aluminum and plastic with powder coat matte paint finish.
- KE2: Die-cast aluminum with powder coat matte paint finish.
- KE3: Die-cast aluminum and plastic with powder coat matte paint finish.

**Construction: Notes:**
- White (suffix WH) option for electrical modules has a warmer tone compared to Bright White (suffix 118). It is recommended that Bright White be specified with a Bright White laminate top for closest match.

**Round Grommet Finishes:**
- Jet Black (suffix 111T)
- Bright White (suffix 118T)
- Medium Grey (suffix 115T)
- Stirling (suffix 906T)

**Cutout Codes:**
Please refer to the Grommet and Electrical Module Cutout Matrix on page 10 for table compatibility and cutout codes.

**Electrical**: The USB option that is included in the KE1, KE2, and KE3 modules will have (2) USB jacks per position. For example a KE1101C72 module includes (1) Power and (1) USB but would actually have (1) Power and (2) USB jacks.

**Note:** Additional data and power configurations can be requested through Custom Product Development.

KE8 Electrical Module

KE8300L60-BK

Pixel Link

KE4, KE5, KE7, KE8

Pixel™ Electrical

*KE8 Electrical Module is compatible with flat edge tops only. This mount will not work with knife edge tables.*

**Construction**

**Description:**

KE8: Die-cast aluminum with powder coat matte paint finish. *KE8: Aluminum case with powder coat matte paint finish.*

KE7: Aluminum case with power cord matte paint finish.

KE5: Aluminum case with power cord matte paint finish.

KE4: Die-cast aluminum with powder coat matte paint finish.

**Ordering Information**

**Cordset: 2 Power and 1 USB**

---

**Ordering Information**

- **Case and Receptacle Finishes**:
  - Black case with Black receptacles (suffix BK)
  - White case with White receptacles (suffix WH)
  - Bright White case with Bright White receptacles (suffix 118)

- **Note**: White (suffix WH) option for electrical modules has a warmer tone compared to Bright White (suffix 118). It is recommended that Bright White be specified with a Bright White laminate top for closest match.

**KE6 Electrical Modules** are only available on C-Leg tables with trough cutout.

---

**Pixel Link**

Pixel Link is a non-sequential power system that allows users to "daisy chain" multiple power centers together. Please specify a Starter Box (KLSC) if using the Pixel Link system.

**Pixel Link Construction**

- **Description**: KE6: Aluminum case with powder coat matte paint finish.

**Pixel Link Electrical**

- **Description**: KE6 option that is included in the KE6 module will omit (1) USB jack per position. For example, a KE6301C2 module includes (3) Power and (1) USB jack and will face (3) Power and (1) USB jack.

- **USB**: 2 Amps

**Note**: Additional data and power configurations can be requested through Custom Product Development.

### How to Specify Pixel Link Power System

**Example 1:**

- Need: (3) rows of (8) tables
- Table Specifications:
  - (24) KE4 Pixel Electrical Module – KE4301L60BK
  - (24) 72” Pixel C-Leg Table with consistent cutout positions on all tables.
- Starter Boxes can only accommodate a maximum of (8) electrical modules and/or jumper cables (do not count the starter box itself).
- Example: (3) Electrical Modules or (4) Electrolyte Modules with (6) Jumper Cables.
- Electrical Module Cutout Codes:
  - Refer to the Pixel Grommet and Electrical Module Cutout Matrix on page 10 for table compatibility and cutout codes.
- Corner Wedge:
  - If installing a Corner Wedge in your configuration, specify a 24” Pixel Link to accommodate the added distance and curve for each corner wedge.

### Example 2:

- Need: (3) rows of (8) tables
- Table Specifications:
  - (24) KE4 Pixel Electrical Module – KE4301L60BK
  - (24) 72” Pixel C-Leg Table with consistent cutout positions on all tables.
- Starter Boxes can only accommodate a maximum of (8) electrical modules and/or jumper cables (do not count the starter box itself).
- Example: (3) Electrical Modules or (4) Electrolyte Modules with (6) Jumper Cables.
- Electrical Module Cutout Codes:
  - Refer to the Pixel Grommet and Electrical Module Cutout Matrix on page 10 for table compatibility and cutout codes.
- Corner Wedge:
  - If installing a Corner Wedge in your configuration, specify a 24” Pixel Link to accommodate the added distance and curve for each corner wedge.

10. KTSH: PKM Metal Conduit

Typical Power System:

- Table Specifications:
  - (26) 60" x 24" Pixel C-Leg Tables with a Front Center (EA) cutout for a KE5 power module in all tables.
- Each starter (infeed) cable can accommodate a maximum of (13) Pixel Trac jumper kits.
- Choose the length starter that matches the distance to your power source. For this application we will need (2) Pixel Trac Starters, one for each row.
- Select the Pixel Trac Kit that is the same length as the table. For this application we will need (26) of the 60" Pixel Trac Kits, (1) for each table.

Ordering Information

- Review the Grommet and Electrical Module Cutout Matrix to verify that the preferred power module is available in the requested location. Choose the power module with the 48" cord to reduce the amount of excess cord that needs to be stored in each trough. For this application we will need (26) of the KE5 Electrical Modules.

### Finish Options

**Laminate Screens:**
- Constructed of MDF substrate sandwiched between laminate veneer.
- Flat 0.8mm ABS edgeband.

**Feather Trims:**
- Black (suffix 111)
- Folkstone (suffix 004)
- Platinum (suffix 367)
- Inertone (suffix 386)
- Mink (suffix 324)
- White (suffix 118)

**Flat Edgeband Finish Options:**
- Medium Cherry (suffix 124)
- Natural Maple (suffix 125)
- Natural Cherry (suffix 126)
- Walnut (suffix 127)
- Light Ash (suffix 139)
- Grey Ash (suffix 141)
- Whitened Ash (suffix 142)
- Graphite Pear (suffix 146)
- Zebra (suffix 145)

**Laminates:**
- Bright White (suffix 113)
- Folkstone Grey (suffix 114)
- Jet Black (suffix 115)
- Medium Cherry (suffix 124)
- Natural Maple (suffix 125)
- Natural Cherry (suffix 126)
- Walnut (suffix 127)
- Light Ash (suffix 139)
- Whiten Ash (suffix 142)
- Graphite Pear (suffix 146)
- Zebra (suffix 145)

### Features

- **Modesty Screens:**
  - Can remain attached to Pixel Flip-Top Tables while tables are flipped and nested due to the flexibility of the Hytrel (H3041) hinge.

- **Modesty/Privacy Screen Brackets:**
  - Two brackets are required for each modesty and privacy screen EXCEPT for KS84L, which requires three brackets. Modesty brackets screw into inserts located on the underside of the table top. Privacy brackets clamp onto the table top.

Note: Tables cannot be flipped or nested if privacy screen is attached.

</table>
This Selling Policy supercedes all previous selling policies. Prices, discounts and product offerings are subject to change without notice.

Sales by Knoll, Inc. or Knoll Textiles orders. These terms and conditions may be modified or supplemented only by a written document signed by an authorized representative of Seller. These terms and conditions supersede any prior and/or contemporaneous agreements or correspondence between Purchaser and Seller. Written quotations expire thirty (30) days from the date of issuance and can be withdrawn by written notice anytime during that period. Where Purchaser and Seller have entered into the Knoll Electronic Terms and Conditions, all orders, acknowledgements, invoices and other business communications placed or transmitted in accordance with the Knoll Electronic Terms and Conditions shall be deemed to be in writing and signed and shall be valid for all purposes as if they were originated and maintained in documentary form.

All orders must be in writing. The product pattern number(s) contained on Seller's order acknowledgement shall be the contract and shall be binding on Seller until Purchaser has received Seller's order confirmation or acknowledgment.

List prices are subject to change without notice.

In case of any discrepancies, such as shortages, and Seller is notified in writing within ten (10) days of receipt of Product, only that portion may be deducted and the balance paid. For orders greater than $100,000 net, a fifty percent (50%) deposit is due at the time of order placement, with the remainder due within thirty (30) days of the date of invoice.

In case of any discrepancies, such as shortages, and Seller is notified in writing within ten (10) days of receipt of Product, only that portion may be deducted and the balance paid. For orders greater than $100,000 net, a fifty percent (50%) deposit is due at the time of order placement, with the remainder due within thirty (30) days of the date of invoice.

Purchaser shall notify Seller in writing within ten (10) days after receipt of any damaged or defective Product. For all claims relating to Product damaged in transit or for any handling and transportation charges incidental to loading at the point of departure and unloading at the final destination.

Purchaser may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may effect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In the event of cancellations, Purchaser will be liable for reasonable cancellation charges established by Seller. Orders for special Product, orders including "COM" (hereinafter defined) material and orders pursuant to expedited delivery programs, may not be canceled.

Freight is prepaid and included in the price of all Products, except Knoll Textiles, within the 48 contiguous United States orders placed with Knoll, Inc. and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland for orders placed with Knoll North America Corp. Packing is tested for rigorous motion and transportation but is not guaranteed to protect furniture from all conditions. If special packaging is required for any reason, please consult your sales representative or dealer. Seller shall select the method of shipment and routing. Freight for all Knoll Textiles orders is prepaid and added to the invoice.

Purchaser shall be responsible for the cost of freight from point of embarkation, including any handling and transportation charges incidental to loading at the point of departure and unloading at the final destination.

Conditions beyond the control of Seller, including weather, available facilities and traffic conditions, may affect exact time of delivery. Seller shall not be responsible for specific carrier delivery date or time unless it has made a specific delivery commitment, in writing.

Nonstandard methods of shipment and/or additional services are available upon request. Purchaser will be billed for the differential cost of any special services in excess of standard surface carrier freight costs. Premium charges, at Purchaser request, will be added for airfreight, exclusive use of vehicle and extra, export or special packaging. Accessorial charges will be added for inside delivery, extra labor, reconsignment and redelivery.

Purchaser shall inspect all Products upon receipt and notify Seller within ten (10) working days after receipt of any damage or defects which are, or should be, apparent from an inspection of the Product and its packaging. Failure of Purchaser to notify Seller during the ten (10) working day period shall constitute acceptance of the Product and waive of any apparent defects, errors or shortages. For all claims relating to Product damaged in transit or for any other claims relating to or arising out of the transportation of the Product, Purchaser must seek recovery from the carrier and Seller has no liability to Purchaser for such claims. Seller may, upon request, assist Purchaser with filing of such claims with the carrier, but Seller will not be liable for any of these transportation related claims.

All shipments for Knoll Products within the contiguous United States and Canada shall be shipped F.O.B. Origin. All risk of loss passes to Purchaser at time of delivery to Purchaser.

Claims

Claims shall be submitted to Seller in writing within ten (10) working days after receipt of any damage or defects which are, or should be, apparent from an inspection of the Product and its packaging.

Returns

Returns shall be made to Seller in accordance with the Knoll Electronic Terms and Conditions. The return of Products without a written authorization by Seller shall not be accepted. To receive authorization for Product return, please call Customer Service. All Products that are returned pursuant to a valid authorization shall be subject to a twenty-five percent (25%) of list restocking charge. Products not currently offered for sale by Seller (including "COM") shall not be authorized for return. All returned Products must be unused, in original condition and in the original Seller packing cartons. No refund or credit shall be given for damaged Products.

Held Orders/Storage

If Purchaser requests that an order be held or delayed, prices and terms and conditions in effect at the time of shipment shall apply. If Purchaser requests a delay after the time when Seller can defer production, Purchaser will be invoiced for the Product, payable in accordance with standard terms, when the order is ready for shipment. Seller may transfer the Product to storage, in which case all expenses incurred in connection with storage, including demurrage, preparation for storage, storage charges and handling shall be payable by Purchaser upon submission of invoices by Seller. Risk of loss to the Product shall pass to the Purchaser upon delivery of the Product into storage.

Ordering Information

All orders must be in writing. The product pattern number(s) contained on Seller's order acknowledgement shall be the contract and shall be binding on Seller until Purchaser has received Seller's order confirmation or acknowledgment.

Pricing Policies

List prices are subject to change without notice.

Freight Prepaid

Freight is prepaid and included in the price of all Products, except Knoll Textiles, within the 48 contiguous United States orders placed with Knoll, Inc. and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland for orders placed with Knoll North America Corp. Packing is tested for rigorous motion and transportation but is not guaranteed to protect furniture from all conditions. If special packaging is required for any reason, please consult your sales representative or dealer. Seller shall select the method of shipment and routing. Freight for all Knoll Textiles orders is prepaid and added to the invoice.

Changes and Cancellation

Purchaser may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may effect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In the event of cancellations, Purchaser will be liable for reasonable cancellation charges established by Seller. Orders for special Product, orders including "COM" (hereinafter defined) material and orders pursuant to expedited delivery programs, may not be canceled.

Delivery/Freight Charges

For shipments outside the contiguous United States and Canada, Purchaser is responsible for the cost of freight from point of embarkation, including any handling and transportation charges incidental to loading at the point of departure and unloading at the final destination.

Claims

Claims shall be submitted to Seller in writing within ten (10) working days after receipt of any damage or defects which are, or should be, apparent from an inspection of the Product and its packaging.

Returns

Returns shall be made to Seller in accordance with the Knoll Electronic Terms and Conditions. The return of Products without a written authorization by Seller shall not be accepted. To receive authorization for Product return, please call Customer Service. All Products that are returned pursuant to a valid authorization shall be subject to a twenty-five percent (25%) of list restocking charge. Products not currently offered for sale by Seller (including "COM") shall not be authorized for return. All returned Products must be unused, in original condition and in the original Seller packing cartons. No refund or credit shall be given for damaged Products.

Held Orders/Storage

If Purchaser requests that an order be held or delayed, prices and terms and conditions in effect at the time of shipment shall apply. If Purchaser requests a delay after the time when Seller can defer production, Purchaser will be invoiced for the Product, payable in accordance with standard terms, when the order is ready for shipment. Seller may transfer the Product to storage, in which case all expenses incurred in connection with storage, including demurrage, preparation for storage, storage charges and handling shall be payable by Purchaser upon submission of invoices by Seller. Risk of loss to the Product shall pass to the Purchaser upon delivery of the Product into storage.
Customer's Own Material

A Purchaser who requests a fabric or other surface material not standard to Seller's line of Products ("COM") must submit samples of the requested material to Seller prior to entry of a purchaser order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriters Laboratories. If the COM is acceptable, Seller will then establish a price for using the COM or the Product in question. For a description of the procedures for submitting samples and testing, contact customer resources or your sales representative. Seller shall have no responsibility for the appearance, condition, performance, durability, colorfastness or any other physical attribute of the COM. Purchaser shall indemnify and hold Seller harmless for any damages, injuries or losses arising out of or related to use of the COM on the Product.

Limitations of Liability

Seller warrants to the original Purchaser only that the Products Seller manufactures and sells to Purchaser are free of defects in workmanship and materials, during the applicable warranty period set forth below. Warranty period set forth below is for 24-hour, 7 days a week, multi shift use (includes parts and labor to repair). Should any failure to conform with this limited warranty appear to a Product listed below during the applicable warranty period from the date of shipment, Seller shall, upon prompt written notice, repair or replace, at its option and costs, the affected part or parts.

Product and Period of Warranty

Lifetime: Antenna Workspaces, AutoStrada, Calibre, Crinson Open Table, Currents, Dividends Horizon, Morrison, Reff Profiles laminate, Rockwell Unscripted, Series 2 Storage, Template, Quoin and other non-wood components (except cascade edge worksurfaces, operational parts, controls, electrical, Lighting, Series 2 Veneer Front Storage, digital locks, upholstery, textiles and leathers, special or custom products, see below), Islands Collection table structure, legs, and laminate worksurfaces.

This warranty does not apply to:

• Damage caused by a carrier other than the Seller.
• Normal wear and tear or acts or omissions of parties other than Seller (including user modification, improper use or installation of Products).
• COM or other third party materials applied to Products.
• Products not installed by or under the auspices of a Knoll Dealer.
• Dramatic temperature variations or exposure to unusual conditions.
• Changes in surface finishes, including colorfastness due to aging or exposure to light.
• Except as specifically noted above, textiles and upholstery supplied by KnollTextiles and Spinneybeck FilzFelt (consult current price lists for applicable warranties).

Natural variations occurring in wood, marble, and leather shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of the colors, grains or textures, or surface hardness of such materials. The Seller also does not guarantee the colorfastness of fiberglass panel surfaces.

THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.

For the remedies provided above to be the Purchaser’s sole remedies for any failure of Seller to comply with its obligations regarding the workmanship of its Products, Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Seller, with respect to or arising out of the Product furnished hereunder.

Delay/Force Majeure

Seller shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of war or terrorism, act of any governmental authority or of the Purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations, or due to any cause beyond the Seller’s reasonable control. If any such event occurs, Seller may extend delivery dates by a period of time necessary to overcome the effect of such delay, allocate available Product or cancel any purchase order.

Compliance with Law

Purchaser is solely responsible for compliance with all applicable federal, state and local laws, ordinances, regulations, rules and standards relating to the installation, maintenance, use and operation of the products.

Patents

Subject to the following provisions, Seller shall, at its own expense, defend or, at its option, settle any claim, suit or proceeding brought against the Purchaser, and/or its vendees, mediate and mediate, so far as based on an allegation that any Product or any part thereof furnished hereunder constitutes a direct or a contributory infringement of any claim of any patent of the United States or Canada. This obligation shall be effective only if Purchaser shall have made all payments then due hereunder and if Seller is notified promptly in writing and given authority, information and assistance for the defense of said claim, suit or proceeding. Seller shall pay all damages and costs awarded in such suit or proceedings so defended.

The foregoing indemnity does not apply to the following:

• Products supplied according to a design other than that of Seller, and which is required by the Purchaser.
• Combination of the Product with another product not furnished hereunder unless Seller is a contributory infringer.
• Any settlements of a suit or proceeding made without Seller’s written consent.

Any remedies for any breach of warranties or conditions set forth herein shall be the Purchaser’s sole and exclusive remedies for any failure of Seller to comply with its obligations regarding the workmanship of its Products.

Limitations of Liability

Seller, its contractors, authorized dealers and subcontractors or suppliers of any tier shall not be liable to Purchaser for any special, indirect, incidental or consequential damages arising from a breach of this agreement.
Purchaser's remedies set forth herein are exclusive and the liability of Seller with respect to the breach of this agreement or any contract entered into between the parties pursuant hereto shall not exceed the price of the Product or part on which such liability is based.
General Ordering Information

The Products
This guide encompasses all standard products for this product group.

Sizes
Dimensions listed in this guide are indicated as:
H = height
W = width
D = depth
Dia. = diameter
Rad. = radius

Pricing
All prices shown are list.

How to Order
Select pattern numbers and quantities required for your complete installation. Product questions can be addressed in the specific sections of this guide or by contacting your sales representative or customer resource representative at 1-800-343-5665.

Next, select options (if required), along with colors and finishes appropriate to each product. Reference the Finishes and Fabrics pages for color designations.

On large installations, an item’s “designated area” can be specified to assist in product organization and handling.

To expedite complete / correct entry of your order, be certain all pattern numbers, quantities, colors and area identifications are completely specified. Also, include complete purchase order numbers, bill-to and ship-to addresses, a contact name and specific factory shipping dates required.

Mail all orders to:
Knoll, Inc.
1235 Water Street
P.O. Box 157
East Greenville, PA 18041
Attention: Order Entry

Once your order is entered at Knoll, an acknowledgment will be mailed to you. You will be advised of your scheduled shipping date within five days of the original acknowledgment. If it is necessary to revise your order, please contact your customer resource representative.

Sustainability Statement

Sustainable design is a key component of Knoll’s environmental focus. Our commitment to social responsibility and a healthy environment has prompted us to further articulate our longstanding environmental programs and, with encouragement and support from our colleagues in the industry, we have re-energized our focus on such “green” initiatives as life cycle analysis and LEED™ certification. Knoll is proud to have contributed to projects that have received LEED certification from the U.S. Green Building Council.

For the latest information on Knoll products that help our customers achieve LEED certification, log on to knoll.com, click on “About Knoll” and then “Environmental Focus.”
