Knoll Textiles offers textiles for interiors built on a foundation of traditional weaving, experimental techniques, collaboration, and innovation. Founded in 1947, Knoll Textiles honors the vision of founder Florence Knoll to create design that is inclusive, functional, and in which every detail is considered.

Pillows by Knoll Textiles are a curated selection that highlights a versatile breadth of materials, from sumptuous velvets to durable performance fabrics suitable for outdoor use.

Each pillow represents Knoll Textiles' commitment to design, from Eclat Weave and Striae Stripe that pay tribute to iconic textiles designers Anni Albers and Astrid Sampe to collaborations with groundbreaking artist Nick Cave and award-winning architect Sir David Adjaye OM OBE RA. The resulting collection reflects Knoll Textiles' rich tradition of design and craftsmanship.
