Antenna Workspaces

Low Hybrid Storage

Antenna Hybrid Low Storage enables efficient planning and support for Power Beam or stands alone in agile spaces, servicing compact workstations and shared spaces.

- A** Provides support for Antenna Power Beam, taking the place of a leg
- B** Individual storage units stand alone to support agile spaces, workstations or private offices
- C** Tech Back feature enables cable passage between back-to-back or single-sided units

Warranty

Storage: Lifetime

Veneer: 5 Years
