Remix

Work and High Back Chair

Inspired by the idea of bringing pre-existing elements together to make something entirely new, Remix pairs upholstered comfort with innovative Flex Net Matrix™ technology for active, all day support. Remix delivers unexpected performance in a familiar form.

By combining traditional and innovative elements, Remix infuses movement into a traditionally static upholstered chair.

- A** A flex net matrix made of a high performance elastomer pairs with plush cushioning and a flexible back frame to provide resilient support and flexibility as you change positions throughout the day.
- B** The contoured seat and wraparound back offer soft, uninterrupted comfort and a sense of refuge. Varying levels of foam thickness provide targeted cushioning while waterfall edges make it easy to shift postures.
- C** The synchronized tilt tension control provides a smooth, effortless recline and can be adjusted to enable a truly personalized fit. Use the three point tilt lock to relax into the chair for a deep dwell.

Warranty

Structural components: 12 Years

Upholstery, textiles, leathers, finishes: 3 Years

STATEMENT OF LINE

Work Chair

W: 30"
D: 23.5" (excluding base)
