Advanced Column Leg Tables

Designed to create effective learning and training environments, the Pixel Collection fosters connections and creativity. With four height options and a variety of finishes, Advanced Column Leg Tables are an excellent choice for shared spaces.

- A** Pixel Column Leg tables are a go-to for café, touch-down and activity spaces
- B** The elegant knife edge provides a refined look
- C** Easy access to power is available with choice of 2-, 3-, and 4- receptacle modules
- D** Ganging brackets are included on all four corners of the table to enable seamless electrical wiring and to create a continuous level surface when tables are connected
