### Antenna Y-Base Tables

Make efficient use of your square footage with Antenna Y-Base Tables—perfect for compact workspaces, meeting rooms, and lounge areas. These agile tables offer unobstructed knee space and advanced cable management with a low-profile base.

- A** Offers plenty of leg space thanks to the unique shape of the base, available in Y or bow tie configurations.
- B** Supports work in a variety of settings and in a range of postures with an array of table heights.
- C** Stays clutter free with a grommet centered over the leg column, and integral channels for cable management.
- D** Enables design flexibility with three worksurface shapes and various heights, sizes, and finishes.
