Antenna Workspaces®

Antenna Desks

Design a space that supports the wide range of activities that happen throughout the day. The unique Antenna rail and cradle system, along with an array of leg types, surface shapes and sizes, and desk heights, allow nearly limitless configurations.

- A** Facilitates efficient planning using modular components, including highly adaptable tops, rails, and end legs. Link adjacent desks together and provide support with optional screens, power components, and storage.
- B** The signature Antenna desk leg profile features the exposed rails and cradle resting on a U-shaped leg.
- C** The table desk leg profile features an end leg that neatly encloses the table's rails and cradles.
- D** Optional wood wrap in Ash gives Antenna desk-height legs a warm wood aesthetic.

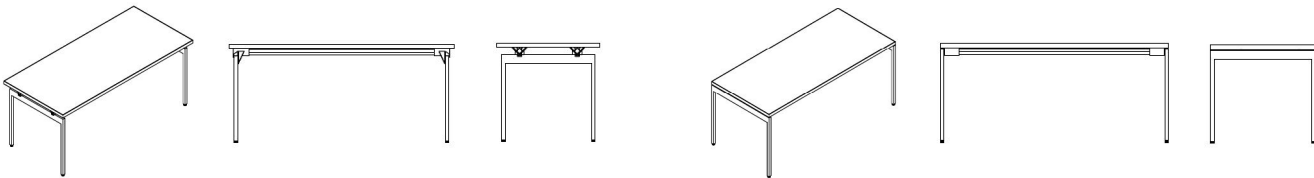

Warranty

Veneer: 10 years

All other components: Lifetime

STATEMENT OF LINE

Antenna Desk

W: 30-84"

D: 18-48"
