Meeting Tables

Suitable for every application in the office, the modular design of Antenna Meeting Tables allows for nearly limitless configurations. Technology accessories and linking hardware expand their flexibility and functionality, and with a light, minimalist profile, they help bring aesthetic consistency to the workplace.

- A** Supports collaborative work with a streamlined design: a generous top with two steel end legs and two tubular rails spanning across.
- B** Enables planning versatility with a variety of top shapes and sizes, including round, square, rectangle, and track.
- C** Complements an array of aesthetics with extensive finish options in laminate, veneer, paint, and glass.
