Reff Profiles™
2x4 & 4x4 Tables

Reff Profiles 2x4 and 4x4 tables offer a traditional look and feel perfect for meeting spaces, private offices, and touchdown spaces. Coordinated table edge profiles, hardware, finishes, and sizes ensure seamless aesthetic transitions throughout the workplace.
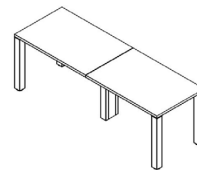

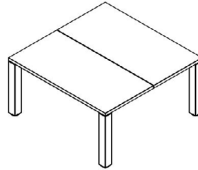

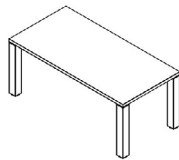

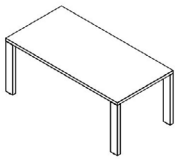

A Combined use of natural materials with integrated power creates tailored, high-performance meeting and conference spaces.

B Enables private offices to double as meeting spaces, offering a choice of settings to work, meet, and connect virtually with those working remotely.

C Facilitates planning versatility with a range of sizes and finishes, including both seated and standing height.

D Leg options available in veneer or paint provide an opportunity to mix materials for aesthetic variety.
