Center Column Table

Center Column Tables are light scale and mobile with a streamlined center column that maximizes knee clearance. Center Column Tables are easily planned—and moved—to accommodate a range of applications in both individual and shared spaces.
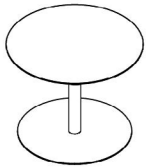

A Use in private offices facilitates learning and mentorship between teammates and meetings with colleagues or guests.

B Center Column Tables are easily repositioned, making them a great option for multi-use spaces that are reconfigured throughout the day.

C Streamlined design allows planning as a small meeting table within a private office.

D Available in fixed height or with a pneumatic height-adjustable base, in round, square, soft square, rectangular, and soft rectangular shapes.
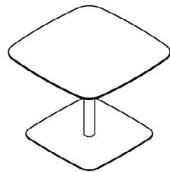

### Warranty
Fixed Height: Lifetime
Height-Adjustable: 10 years
