## JD Credenza and Bookcase

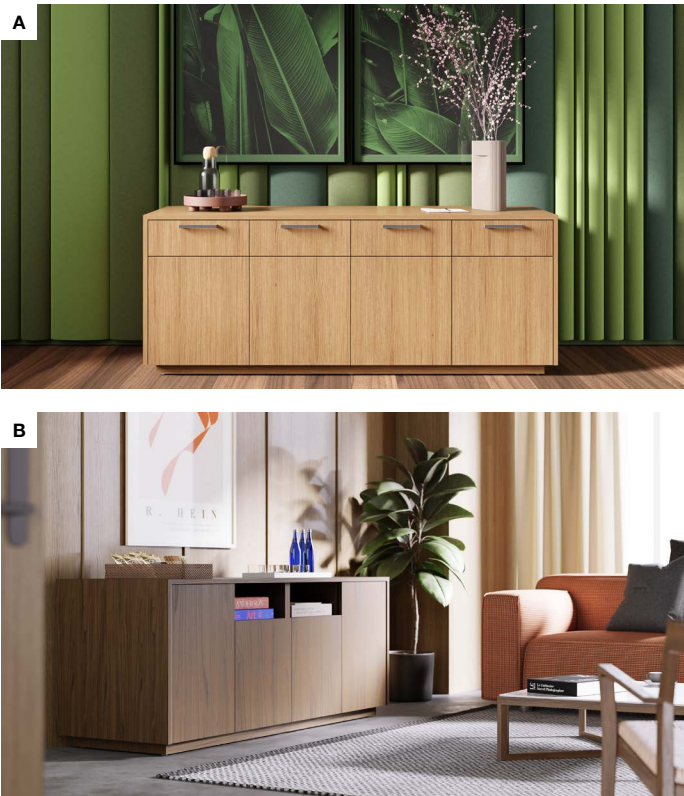

JD Collection  
Credenza and Bookcase

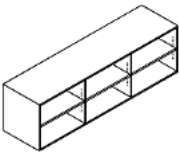

The JD credenza offers a quiet architectural design which brings rich, hand-finished wood to the forefront. You'll find exceptional details including mitered corners, book and slip matched FSC-approved veneers, and clear lustrous finishes that highlight the grain character. This solution offers a breadth of planning types, from a simple bookcase, to three, four and five position credenzas with modular inserts that allow you to plan a configuration best tailored to the setting. A variety of configurations are available from shelves to hinge doors to cool drawers with fifteen insert options to choose from.

- A Plan in meeting rooms to store all the essentials teams need access to do their best collaborative work
- B Plans equally well in the open plan to create warm and inviting hospitality settings
