

Ricchio Chair
Joe and Linda Ricchio

RICCHIO CHAIR With its effortless construction and multi-functional capacities, Ricchio seating offers pragmatic and timeless design. Proportioned with comfort in mind, the chair features an ample seat and contoured back. The chair can serve in a broad range of applications, including workstations, reception areas, private offices and conference rooms. The collection is available with upholstered and fully upholstered models, with or without arms and comes in a wide range of finishes.

JOE AND LINDA RICCHIO Joe and Linda Ricchio have adhered firmly to their credo that “excellent design must be both contemporary and timeless.” Their respective backgrounds in industrial and interior design have produced successful collaborations in many furniture and graphic design ventures.
