

# Sanguine Gas Exploration, LLC

**Knoll**

## Sector Focus: Energy

When energy company Sanguine Gas Exploration, LLC renovated its Tulsa, Oklahoma office, the company worked with design firm Kinslow, Keith, & Todd and Knoll Dealer Interior Logistics, Inc to select a range of Knoll Office and KnollStudio designs that encompass the quality, aesthetic and functionality of the Knoll Brand.

For its conference room, the company selected an LSM Conference Table with L-Base legs, which pays particular attention to the purity of line and juxtaposition of materials and finishes, and Generation by Knoll® chairs (cover). Common areas and Activity Spaces feature a range of

classic and new Knoll Studio designs including a Florence Knoll Sofa, Florence Knoll Lounge Chair, Florence Knoll Coffee Table and Saanen Side Table in the reception area (top left). A Media Enclave in the company's cafe features X3 Barstools around a standing-height Reff Profiles™ Farm Table (bottom left). Private offices feature a range of Knoll designs. Dividends Horizon® In the company's private offices pragmatic offer planning solutions that support today's multi-modal work environment. Private offices also feature Chadwick® chairs and Moment™ chairs for guest seating (right).
