

# DLA Piper

## Sector Focus: Legal

With 3,500 lawyers located in 30 countries and 69 offices throughout Asia, Europe, the Middle East and the United States, DLA Piper is positioned to help companies with their legal needs around the world. When the Company relocated to its new offices in San Francisco, it worked with design firm, IA Interior Architects, to incorporate a combination of open plan furniture and casegoods that would provide ample storage, while maintaining a clean, unified aesthetic throughout. Graham Collection® private office furniture and AutoStrada™ accommodate the

Company's needs while creating a unified workspace. For the partner offices, cover, Graham Collection® features ample storage at various heights to lend a more spacious feel to the space. For its open plan work areas, above, DLA Piper selected AutoStrada™ workstation units in a specialized white oak veneer and customized additional shelving. AutoStrada™ storage-anchored planning punctuates the office landscape by freeing up work surface and providing additional space for employees to store case files, work papers and personal items.
